The committee to whom was referred the report of Brothers James Iredell, John C. Ehringhouse and Isaac N. Lamb, a committee appointed for the purpose of investigating the facts connected with the expulsion from Hall Lodge, No. 53, of Doctor Samuel Robinson, and the documents accompanying the same, respectfully report, that it appears to your committee that the conduct of Dr. Samuel Robinson was not of that character which would justify expulsion, the circumstances having grown out of some excitement arising from a personal misunderstanding between the Doctor and some of the officers of the Lodge, the merits of which your committee will not undertake to judge of, further than to say, that they believe the conduct of the Doctor and of the Lodge may have been somewhat hasty and improper. They, therefore, recommend that Dr. Samuel Robinson be reinstated to all the rights and privileges of Masonry; and for that purpose, the adoption of the following resolution:

Resolved, That the decision of Hall Lodge, No. 53, expelling Brother Samuel Robinson, be reversed, and that he be restored to all the rights and privileges of Masonry.
