HISTORY OF THE ASSOCIATION OF JUNIOR LEAGUES OF AMERICA

The Junior League represents a serious endeavor on the part of young women to become active and constructive factors in the communities in which they live, to be intelligent citizens, and to assist in promoting human welfare. In addition to providing the member with channels of work and training for volunteer service, the Junior League helps her to realize two vital concepts: (1) that she is not an onlooker, but is herself a part of the community; (2) that the community, in turn, is not an isolated unit but part of the nation and of the world.

It was in 1901, at the beginning of a new era for American women, that the first Junior League was organized in New York. At that time Mary Harriman (Mrs. Chas. Carey Rumsey) and Nathalie Henderson (Mrs. Joseph Swan) realized what might be achieved if a group of young women were encouraged to take a more active part in some form of active service to their own neighborhoods through the settlement houses and other organizations in existence at the time.

Soon similar organizations to that in New York were formed in various other of the large cities—Boston, Brooklyn, Portland, Ore., Baltimore, Philadelphia and Chicago. In the spring of 1912 six of the seven Leagues then in existence held their first national conference in New York City. In 1921 the Association of the Junior Leagues of America, Inc., was founded by the thirty Leagues then in existence. Mrs. Willard Straight (Mrs. Leonard K. Elmhirst) was elected president and a Board of Directors was appointed and instructed to draw up a constitution.

After 1921 the Association grew rapidly until, in 1923, there were sixty-three Leagues. In order to establish a closer contact between the Leagues and the Association, the country was divided into six territories and in each a League member was appointed regional director to act as liaison officer between the Leagues of the region and the Association and to serve on the latter's Board of Directors. Now there are twelve regions, in each of which the Leagues elect every second year a member to serve as their regional director.

At the time the Association was first formed most League activity was in the realm of social work but the Board of Directors, realizing the opportunities which would eventually offer themselves to Junior Leagues, set down in the constitution the social, economic, educational, cultural and civic fields as those in which Junior Leagues should interest their members.

Gradually the Leagues realized that a benevolent "doing for others" was not enough, that they must form a partnership with professional community workers to effect the improvement of conditions. To do this required knowledge. As evidence of this the first course for provisional members was established in 1921 and such a course, which includes an examination of the various forces at work in the community, has been a prerequisite for

active membership since 1927. Originally League projects were large enterprises—convalescent homes, day nurseries, curative workshops and the like. It was discovered, however, that to support these undertakings a disproportionate amount of time and energy often was going into money-raising to the exclusion of the educational process of volunteer service. Today where Leagues have projects the recommended type is one in which the demonstration element is present, the choice being based on the needs of the individual community in the light of the interest and money-raising capabilities of the League.

The League's realization of the need for expert guidance in their welfare activities soon led to the establishment of a trained social work staff at the Association's offices. Members of this staff were available for visits to Leagues to study the local situation and give advice. Similar service was then made available for Children's Theatre, Arts, Ways and Means, and Publicity. The Association also publishes the *Junior League Magazine*, issued monthly to each Junior League member. At the present time the Association has 181 member Leagues, 173 in the United States proper, one in Honolulu, one in Mexico City, and six in Canada, comprising a total of some 60,000 members.

HISTORY OF THE WINSTON-SALEM JUNIOR LEAGUE

The local League was organized in 1923 by about forty of the girls and young women of Winston-Salem with Mrs. Thurmond Chatham as president. We were the 46th League to be admitted to the Association, and the first in North Carolina.

During the second year, under the presidency of Mrs. Paul Montague, our League adopted the point system, and sponsored a pre-natal clinic, which, at the time, was the only one of its kind in North Carolina.

In 1925, with Mrs. Kenneth Mountcastle as president, we brought Will Rogers and the de Reschke quartet to town, opened a gift shop, and began a training course for Provisional members.

During Mrs. Fay Huntley Spencer's (now Mrs. Edwards) administration we undertook the financing of our Hospital for Incurables.

In March, 1928, Mrs. Charles Long became president and on the fifteenth of that month we opened a Beauty Parlor. On May fifteenth we had Paper Day. In this same year the Arts and Interests and Children's Play Committee was formed.

In 1929 Mrs. Ralph Hanes was elected president and was instrumental in starting our monthly Newsheet with Miss Dell Norfleet as its first editor.

In 1930-31, under Mrs. Elsie Hines Norfleet's (now Mrs. Charles Siewers) leadership, we became more nationally minded with respect to the Junior Leagues of America, and began to take a more active part in community affairs as well. We helped to organize the Civic Music Association, began our yearly assistance to the Community Chest Drive, opened a Rag Market (later the Thrift Shop), and initiated Occupational Therapy classes in our hospital.

With Mrs. James Hanes as president in 1932, work began on a placement system, and under Mrs. Linville Martin in 1933, we put the system into effect.

From 1934 to '35, with Mrs. James Hanes serving her second term as president, the League's most important work was the continued operation of the Hospital for Incurables.

In 1935, under Mrs. W. H. Sprunt's presidency, the Winston-Salem Play Group was chosen to represent the medium-sized Leagues at the Children's Theatre Conference in Baltimore.

In March, 1936, Mrs. W. K. Hoyt was elected president. During her term of office we employed a Professional Placement Secretary, and the League as a whole became more familiar with the needs of the community. On June 1, 1937, after the opening of the Forsyth County Hospital and the satisfactory placing of all our patients, the Hospital for Incurables was closed.

In the spring of 1937, we assisted in the organization of the Mental Hygiene Society of Winston-Salem. This society asked the League to finance a Child Guidance Clinic for a demon-

stration period, and on November 1, the Clinic was opened in the League's Hospital Building. Through professional Placement secretaries we were able to give specialized training to our volunteers.

In 1938, Miss Aurelia Plumly (now Mrs. Ralph Spaugh) was elected president. The League at a cost of \$1,200 per year, continued to sponsor and finance the Child Guidance Clinic, which was under the supervision of the Mental Hygiene Society. Our projects included assistance at the Christmas Exchange, the new Hall of History, and the presentation by Jr. Programs, Inc., which we brought to town. The chief undertaking, however, was the bringing to the community of four New York Dramas of the Contemporary Theatre Series, from which a profit of \$5,000 was made.

With Mrs. A. S. Johnson as president in 1940, the Child Guidance Clinic was moved to new quarters, reorganized, and became affiliated, through its director, with the Bowman Gray School of Medicine in this city. The play group was most active and received national acclaim for its excellent work. Acting on advice from Mrs. Dingman, Secretary of Ways and Means of AJLA, our system of budgeting was revised and a plan for maintaining separate accounts for Administrative and Community Program funds was put into effect. A plan was worked out for conservative spending of the surplus over and above a contingency fund.

In March, 1941, Mrs. Linville Martin was elected to serve as Director of this Region for a two-year term.

The League joined with other interested community groups in forming the Children's Theatre Board, whose purpose is to provide a year-round program of entertainment for the city school children. The League is represented on this Board by the Children's Theatre Committee chairman and two other members of the committee. The Board is responsible for the promotion, financing, and transportation of the children to the entertainments it sponsors. The League's major production became a part of the Board's yearly series, and the League ceased the annual trouping of a smaller play to the city schools.

During the presidency of Mrs. Thomas Rice, from 1941-43, many changes took place. The program of planned expenditure of surplus, advised by the AJLA Staff, was begun: \$3,000 was donated to the Red Cross War Fund, \$1,000 was given to the Library Fund of the Winston-Salem Teachers College, and \$5,000 was given to the Family Service Agency for the establishment of a Child Placing Agency.

A Radio Institute, conducted by Miss Gloria Chandler, AJLA Consultant, began our entrance into the cultural field, and the League allocated \$4,500 to the Community Council for the development of the Radio Plan.

In 1942 the Director of the Child Guidance Clinic resigned, and no replacement was available. The Clinic was evaluated by a special committee which recommended that it be closed.

Mrs. Helen Lipscomb, of the Staff, conducted a Board Members' institute.

The League was very proud to have one of its members, Mrs. Linville Martin, elected President of the Association of Junior Leagues of America. On March 1, 1943, the gift shop was sold to Miss McPhail.

During the term of Mrs. Irving Carlyle, 1943-44, the League began to feel the full impact of World War II. Many of the younger members were away with their husbands, who were in service, while those at home devoted the major part of their volunteer service to war-related activities, such as Red Cross, Bond Sales, Rationing Board, and USO.

A Cultural survey of the community was made by Miss Virginia Lee Comer, AJLA Arts Consultant, which revealed a need for the development and expression of the creative arts.

From 1944 to 1945 Mrs. George Walker served as president. The League voted to support the Radio Council for a three-year period, allocating \$2,500 per year. A donation of \$1,000 was made to the Wachovia Historical Society to provide a part-time Director for its Museum. The League gave \$600 to the Piedmont Festival and assisted in the sale of tickets to its performances.

In 1945 the Beauty Parlor was sold because the League deemed it unwise to operate a shop in competition with local business, and its community service program was amply protected by a contingency fund.

In a Staff visit for the Arts Program, Miss Comer advised: "Conditions in Winston-Salem indicate that the League would be wise to strengthen already established agencies; i.e., museum, library, recreation department, public schools . . ."

In 1945-46, upon the return of many members who had been away during the war, the League expanded its program under the leadership of Mrs. Thomas Moore, and, on the advice of AJLA, donated the major part of its surplus to the community. Three Staff visits, two in connection with League finances, and one for the Arts program, helped to get the plans under way.

A portion of the invested surplus, consisting of four hundred shares of Reynolds B stock, was turned over to the community: fifty shares to the City-County Hospital; fifty shares to the War Memorial Building Fund; one hundred twenty shares to the Mental Hygiene Society; one hundred eighty shares to the City Library.

The Junior League Hospital Building was deeded to the Winston-Salem Foundation.

The League brought Mrs. Chester Marsh to the community for a three-year demonstration as Arts and Crafts Director for the City Recreation Department, which made space available for a Workshop to carry on the activities.

From 1946-47, Mrs. Bowman Gray served as president. During the summer a story-telling program was conducted at the Wachovia Museum. In January a Staff visit for reorganization of the Thrift Shop resulted in improved management of this project, and we were advised to appoint a project-finding committee.

The League continued its financial support of the Radio Council and the Arts and Crafts program. A survey of fifty-six groups in the community revealed interest in the establishment of an Arts Council, and \$7,200 was put aside from surplus for the employment of a Community Arts Coordinator when the Council proved its readiness to handle the money. The remainder of the invested surplus was donated as follows: \$1,800 to the City Library; \$950 to the Radio Council.

The League contributed \$500 to the Piedmont Festival and sponsored a concert of the newly-formed Winston-Salem Civic Orchestra (now the Winston-Salem Symphony) by selling tickets and handling newspaper and radio publicity. \$750 was given the Leisure Time Division of the Community Council for a coordinator of youth activities at the Fairview Playground, which is in an area not served by any other organization.

During the two-year term of Mrs. Robert Lawson, from 1947-49, a change in the Arts and Crafts Program took place. Half-way through the three-year demonstration, the City Recreation Department withdrew its support when the building which housed the Department was sold. The advice of AJLA was sought, and a visit from the AJLA Arts Consultant, Miss Virginia Lee Comer, helped to clarify the situation. In the letter of recommendation following her visit, Miss Comer advised that a strong Board with committee structure be formed for the Workshop. An Interim Committee, composed of League members and others interested, was formed for the Workshop. This committee organized the Arts and Crafts Association, which assumed responsibility for the administration, financing, and promotion of the Workshop. The League agreed to pay the salary of the Director for a three-year period ending October, 1950, and pledged its support to see the program stabilized in the community.

Further advice in Miss Comer's letter of recommendation was that: a Board Members' Institute be held; we considered ways of lightening the president's job in order that she might be able to serve for two years; our League should adjust its thinking concerning projects, and should know the workings of any agency with which we have a project in the future.

The League voted to contribute \$500 per year for a two-year period toward the support of the Children's Programming Committee of the Radio Council, and also loaned \$1,200 to this committee for the transcription of a radio series, "Storytime."

Mrs. Albert Butler, Jr., was president during the year 1949-1950, when our financial commitments to the Radio Council and to the Arts and Crafts came to an end. The League voted to continue its yearly appropriations of \$3,000 to the Arts and Crafts Association through March 1951, \$250 to the Piedmont Festival, and \$250 to the Winston-Salem Symphony.

Working with the Piedmont Festival and the Chamber of Commerce, the League helped to organize the Arts Council.

A Project-Finding Committee was appointed.

During the term of Mrs. Clifton Pleasants, 1950-51, the League voted to release the gift of \$7,000 which it had held

in trust for the Arts Council, and in August 1950, Miss Gertrude Elliot was employed by the Council as Coordinator.

The request of the Arts and Crafts Association for further support of the Workshop in the amount of \$3,000 was granted through March 1952. \$250 was given to the Winston-Salem Symphony Association. The Junior League play, "Indian Captive," was presented to the county school children at the Mineral Springs Auditorium.

From 1951-52 Mrs. John Whitaker served as President. The Arts Council established an Art Center by moving its member groups, including the Workshop, into a building owned by the Winston-Salem Foundation.

The Project-Finding Committee received a letter from the Arts and Crafts Association, requesting that ". . . the Junior League consider association with the Arts and Crafts on a permanent basis." The Board turned down this request for permanent support and recommended to the League that it ask the Association to make a specific request.

The League was advised by AJLA to evaluate, to continue Project-Finding, and to have a League Administration Institute. A comprehensive evaluation of the League's administration and program was made. Mrs. Emma Buettner, General Program Consultant from AJLA, conducted the League Administration Institute, and upon her advice a Manual of Procedure was compiled for the use of Board members.

The county school children were brought to Reynolds Auditorium to see the Junior League play, "Tom Sawyer."

After careful consideration, the Board voted to release the Children's Programming Committee from its obligation to return to the League the \$1,200 loaned it for the purpose of transcribing "Storytime."

On March 31, the League's financial contribution to the Arts field was completed through coordination of fund raising for the Arts groups under the Arts Council.

The League entered its 30th year with Mrs. Frank Borden Hanes as president. The Project Finding Committee was re-activated, and after long and hard studies in the many fields open for our sponsorship, a Children's Program emerged as the most popular field for a project. After further studies the League voted a three-fourths majority for a Children's Activities Program at the new City-County Library. A letter of contract was drawn up between the Library Board and the Junior League, allocating \$1,500 to the Program the first year, and limiting the League's sponsorship to three years.

The 30th anniversary was celebrated with a Mardi Gras Ball on February 6. Commemorating the League's 30 years of volunteer service, the Public Relations Committee published a Brochure interpreting the functions and purposes of the League.

The Thrift Shop was budgeted for \$5,000 to assure the League of sufficient funds to undertake its new project, maintain a contingency fund and continue its membership in local organizations. To help raise this money, a fall Fashion Show was

held and a Strip for Thrift dance during the anniversary celebration. Both of these functions netted the Thrift Shop approximately \$1,000 and they were able to turn over to the League in March, approximately \$4,800.

"Beauty and the Beast" was presented to the City School children in March.

The League continued its interest in the Arts Council by voting to give them \$500 to assist in financing their expanded program and again voted to support the Arts Follies one hundred per cent.

At the annual conference in May, Region V was divided and Region XIII formed. We thereby became a member League of Region XIII.

In 1953-54, under Mrs. Edward F. Heefner's leadership, the League launched the Children's Activities Program at the City-County Library and sponsored two art exhibits. These projects were made possible by The Thrift Shop profits of \$2,850.92. \$1,300.00 profit was used for renovations at the Thrift Shop.

Diversified Placement was achieved by volunteers serving on the above projects as well as our Children's Theatre Play, "The King's Balcony," a Thrift Shop Fashion Show and Commission Contest, projects of the Radio-TV Council, Arts Council, United Fund Divisions, and Recreational Therapy done in the Children's Wing of the Baptist Hospital.

The League was initiated into television by sponsoring a thirty-minute program on our Children's Activities Program at the Library, and being a co-sponsor of a program on the United Nations.

The Public Relations Committee honored Mr. Ralph Hanes and Mr. Meade Willis for their work at the Library by presenting certificates of appreciation to them, and books to the Library in their honor. The Public Relations Committee was also responsible for the making of smocks which are being worn by League volunteers.

A new system, whereby only the members of the Admissions Committee voted for League candidates, proved successful. Also inaugurated was a new system of the Executive Committee appointing the Nominating Chairman, rather than the Nominating Committee electing her.

For the first time, advertising paid for over half of the cost of printing the League Newsheet; and the League Administrative Fund balanced without dipping into surplus funds, with \$1,700.00 being added to our Contingency Fund in the Community Account.

A special Survey Committee answered the AJLA Questionnaire and suggested reducing the budget by reducing the staff of consultants to a limited number of general consultants, and eliminating many of the special consultants.

Mrs. Edward S. Heefner served again as our president in 1954-55. When it became necessary to vacate the Thrift Shop, a very successful Rummage Sale was held by the League. The two operations netted a total of \$6,602.53.

The Children's Activities Program at the Library completed its second year of operation with a good record of achievement.

The Public Relations Committee had a luncheon honoring the people in the community who have helped with the League program.

A record player was purchased for the Hospital Therapy Project at the Baptist Hospital.

League Volunteers counted over a thousand attendance at the Art Exhibit which was sponsored by the League.

Four performances of the "Camel with the Wrinkled Knees" was given by the Children's Theatre Group.

The TV Committee presented a series of shows, geared to elementary school children, based on material found in the Children's Room at the Library.

Volunteers also worked on the Arts Council and its Follies, in the Health and Welfare field, YWCA, Scouting, and on 38 different boards in the community.

The Provisional Course was streamlined, By-Laws were changed to conform with AJLA by-laws, advertising in the News-sheet was increased thus cutting the cost of printing it, we served as one of the hostesses at the Sedgefield Regional Conference, and had a Mardi Gras Dance for our own membership which now totals 373.

Mrs. Royall Brown served as president in 1955-56. This has been a year of projects, past, present, and future. Our three-year activity program for children was completed at the Public Library. \$4,500 was spent during that time for film, records, exhibits, furniture, and programming. Many volunteers helped to make this a success.

Recreational Therapy at the Baptist Hospital was enlarged. \$500.00 was used to decorate and equip a room for their use. \$100.00 is budgeted for operating expenses. The chairman of this committee was given a Board position.

In the cultural field the League is continuing with outstanding art exhibits at the Library. Three were shown, concurrently, to 1,500 people in the community. 140 League girls acted as hostesses. Financial support has been promised to the Arts Council, a former League project, to help equip their new home.

Our future project, voted on unanimously, is in the field of health and welfare. We will fill an unmet need in the community by giving the salary for a primary education teacher for the handicapped at the Children's Center. Volunteers are already serving there.

During the year 62 members held 108 positions on 32 different community boards.

The Rummage Sale was most successful, with a net profit of \$5,493. Every active member was required to help in some capacity. This was our sole source of income for our Community Trust Fund.

The Children's Theatre Committee presented "Cinderella" to 2,100 city school children, kindergarten through third grade. 72 League girls worked together to make the play a success.

Two By-Law changes were voted on. A 25-cent penalty was added to fines in arrears. The date of accepting provisionals was changed from February to April.

Upon recommendation of our Association President, the League participated in the local Civilian Defense Program. 18 girls took a training course given by the United States Army and volunteers worked with the Ground Observers Corps regularly.

On the social side, a public relations luncheon was given for people in the community who had helped the League in various ways during the year. Within the League we had a luncheon in June, a barbecue in October, and a dinner dance in February.

WINSTON-SALEM JUNIOR LEAGUE ANNUAL REPORTS OF BOARD OF

REPORT OF THE PRESIDENT

Last year this time, the approaching league seemed an eternity—filled with responsibilities far beyond my capabilities. Now it seems only a fleeting moment of history filled with satisfaction and admiration for each of you. *You* have made my job an easy one by accepting your responsibility and doing your job with ease and confidence. This has been a successful year, and I say this humbly for you have made it so. The experience of working closely with you and knowing each of you better is my reward!

In May of last year, your President and Vice-President got off to a good start by attending the National Conference at Sun Valley. There we gained knowledge, confidence and inspiration for the job to be done. Two important changes evolved from the conference—both related to AJLA finances. The cost of the magazine was cut (and incidentally the size) in an attempt to balance the budget. Also, the board was authorized to raise per capita dues, if necessary, to maintain the same standard of service for our ever-growing Association. Per capita dues were raised \$1.00—making them \$6.50. Things might have been different if our own treasurer had been there. She was able to balance our budget for the coming year without raising the dues in spite of the per capita increase. We still have the lowest dues in the region.

In September, I attended President Council, which, incidentally, was paid for by AJLA. In my mind this conference is a must. All the presidents of the 12 leagues in Region 13 met together for two days with the Regional Director to discuss problems, exchange ideas, and receive advice. This acts as a liason between the Association and its member leagues.

The other conference attended was the Regional one at Columbia, S. C.—the theme being "Projects." This was very timely for us as we were in the process of selecting a new one. We were officially represented by Libba Steele and Lil Marion. Katharine Bahnson attended as an observer and Polly Blackwell as a member of the Regional Nominating Committee. Our delegates came back with sound advice on projects which was a great help to us in making our decision.

Speaking of projects, I would like to point out here that in studying the history of our league, I observed three definite trends in projects. In the early days, there was one big permanent project owned and operated by the league—for example, the Hospital for Incurables. This gave way to the three-year demonstration project. A need was found in the community, its worth proven, then it was turned over to the proper sponsor for support—such as the Arts Council. Now the philosophy is the extension of an already existing service in an established agency. All our present projects are in this last category.

As you know we have just terminated a three-year Children's

Activity Program at the public library. Our aim there was to help initiate the idea to the children of our community that libraries can be entertaining and inspirational as well as educational. This, I think, has been accomplished through our money and volunteers. We have spent \$4,500 for film, records, exhibits, furniture and programming. Volunteers have held regular story hours twice a week with a monthly attendance of 95-125. During Book Week 333 attended four story hours conducted by Dr. Elizabeth Welch.

In the field of health, we have expanded an already existing project—recreational therapy at the Baptist Hospital. \$500 was invested in equipping and decorating a playroom for convalescing children. \$100 is budgeted for operating expenses. At present, 20 regular volunteers and four substitutes give their services five days a week during the winter and three days a week during the summer. Through our efforts, interest in this program has generated to other organizations in town. Garden Clubs have planted window boxes. Girl Scouts and church groups have made toy bags, kits and favors for the trays. Working with other groups is excellent public relations for the league and a situation we should strive for in all our projects.

We are continuing in the field of culture with our art exhibits at the library. Last December we had three exhibits, running concurrently. 140 League girls, including sustaining, acted as hostesses. There was not a single grumble in spite of it being during Christmas and the New Year! 1,500 people attended. Also in this field we have promised financial aid to a former league project, the Arts Council, to help equip their new home. Many volunteers have been with the Arts Council since its beginning.

And now, after much investigation, study and discussion, we voted to enter the field of health and welfare by filling an unmet need at the Children's Center. We will pay the salary of a primary education teacher for the handicapped for three years. At the end of this time it is hoped some other means of support will be found. Our money is backed by regular league volunteers.

It's hard to believe that with regular volunteers in all our projects there are still:

- 7 staff aids at the Bloodmobile
- 5 on the Red Cross
- 4 at the Child Guidance Clinic
- 5 at the O. B. Clinic
- 12 at the Woman's Exchange
- 20 have jobs with Radio and Television

plus several at Old Salem, the Health Association, Community Nursing, and the Red Shield Boys Club. 62 members are holding 108 positions on 32 different community boards. With reviewing this record we can easily understand the statement that in the United States, few welfare projects, public or private, can afford enough paid personnel to carry on their immense services. Volunteers outnumber professionals about 250-1—and at least 75 per cent are women. In spite of all this we still have time for 337 league children, of which 184 are boys and 153 girls, includ-

ing three sets of twins—quite productive!

Our sole source of income for community work is from the Rummage Sale. This year's sale was a great success. The entire membership worked together in some capacity preparing for the sale, plus four hours during the sale. We cleared \$5,493, which is approximately \$2,000 above the average amount cleared by other leagues who have Rummage Sales. I cannot resist telling about a member who went down to mark merchandise. She got a little warm and took off her cashmere sweater. When she got ready to leave, the sweater was gone! One of the girls had marked it, put it in the box with women's apparel—the price, 35 cents. There were really some bargains.

Public relations played an important part in the success of this sale as well as other phases of league work through radio, the press, and television. A public relations luncheon was given at the Twin City Club to honor all those in the community who had helped the league during the year. The guests were most appreciative of this gesture.

The newsheet has kept the league well informed on Association, Regional, and local affairs—as well as who's having a baby, the mumps, etc. Two new feature articles were added this year—a travelogue by Margaret Vardell, sent from Germany, and monthly articles by league husbands. I think we have arrived in the literary world when our husbands will write for our newsheet! Speaking of husbands, Placement gave me these figures: 24 of our better halves are bald or thinning, 33 have a good head of hair, and the rest still have hope! Wonder what else they found out about them! But to get back to the newsheet, the advertisement pays for one-half the expense of publication—so please patronize our advertisers.

The wonderful job done by the Children's Theatre committee is fresh in our minds. Just two weeks ago, "Cinderella" was presented for the City School Children, kindergarten through the third grades. 26 girls were in the cast and many more worked back stage in various capacities. Our congratulations to all these girls!

The professional members, 15 in number, have had four night meetings to bring them up to date with the activities of the league. In spite of their professional jobs, they have taken a very definite part in the league program. They have done a wonderful job with the Ground Observer Corps for Civil Defense. Our Civil Defense Chairman has supplied six volunteers every Sunday since the first of February to spot airplanes. 18 league girls took the training course offered by the U. S. Army. This is a field in which only the surface has been scratched.

The By-Laws Committee presented two by-laws changes. One added a 25-cent penalty for fines in arrears—the other was changing the date for accepting provisionals from February to April. The main reason for this is so the same chairman will work with the same group of provisionals throughout the year. This was approved by AJLA as being very sound. 17 provisionals were taken in last year. 14 were admitted to active members in February. 1 became non-resident; 1 transferred and 1 was

unable to complete her community course. As you have heard from the Admission Committee 12 were invited to join the league this year.

The Education Committee has done a good job in presenting a variety of programs. We have been educated on the league, community and state levels; tonight's program promises to be strictly entertaining.

On the social side, the Hospitality Committee offered us several delightful affairs—the June luncheon with a fashion show put on by league children, a barbecue and a square dance in October, and finally our annual Dinner-Dance in February, attended by approximately 350 people.

The Nominating Committee has been busy throughout the year preparing nominees for the Regional and National conferences, for the admission and nominating committee, and for your league officers. You can see the results of their good work by the new and capable officers who will take over tonight—but before they do, I would like to thank my Board again for the responsibility they have taken and the magnificent jobs they have done—and thank you, the membership, for the cooperation and moral support you have given me.

ALICE M. BROWN

VICE-PRESIDENT

The Professional Members of the Winston-Salem Junior League held four regular meetings in 1955-56; April, October, December and March. The last three meetings were held on the night of the regular monthly morning meetings. All of the important business matters that occurred during the year were brought before the members, including a thorough discussion on projects. Throughout the year various committee chairmen explained the responsibilities of their committees and the work that they were doing. The Professional Members were volunteers at the Rummage Sale, December Art Exhibit, Woman's Exchange, Arts Council Follies, League Play, made articles to be used at the Children's Center, worked on the Newsheet, and this year a large percent went into the new field of Ground-Observer Corps for Civilian Defense.

I attended the National Conference with the President at Sun Valley; and at her request attended a community luncheon regarding the welcoming of Wake Forest.

ELIZABETH B. BUTLER

ADVISORY PLANNING

The Advisory Planning Committee was formed in September, 1955 and its purpose was to investigate all possible projects. Two requests were received from the Community, so we set to work on evaluating our old and present projects and investigating the new possibilities.

At our December League Meeting full reports were given. Thumbnail sketches are as follows:

Mrs. A. H. Bahnson, Jr., Arts Council (a request from our old project). Plans are being made for a Community Center to house the Arts Council, Chamber of Commerce, and United Fund. A contribution could be used in many ways: such as furnishing and decorating the Arts Council part, lighting and seats for the theatre.

Mrs. O. K. LaRoque, the Library (our present Project). In April, 1953 the League voted unanimously to take on the activities in the children's room at the new City-County Library. \$1,500 a year was allotted for programming.

Our first year we had an average attendance of 500 children monthly. We now have between 95 and 125 monthly.

Volunteers the first year numbered 23. We now have 6 to carry on the program.

Since the interest has waned, it is suggested that we withdraw our planned programming for children and with the remainder of the \$1,500 allotted this year, purchase furniture for a reading corner in the children's room.

Mrs. Courtland Davis, Children's Center (a request for a new project). The Children's Center enrolls handicapped children who will fit into no other existing program. At present, the

physical and special problems are being handled by trained personnel, but it needs a planned kindergarten program to fill out a badly needed part of total rehabilitation. This requires the service of a special education teacher trained on kindergarten and primary grade level, with added recreational training. Such a person could plan kindergarten and recreational programs, be an overall program coordinator, and make more efficient the present volunteer program.

Mrs. K. H. Clausett, The Hospital (present project).

The League granted \$500 to equip and decorate a recreation room for the children at the Hospital. It is felt that the next step in expanding our program is acquiring skilled assistance in planning and guiding our daily activities with the children. Such guidance would be available if there were a kindergarten teacher with recreational training at the Children's Center.

A discussion followed these reports and much interest was shown for the Children's Center and Community Center.

In January, our Committee met with our Treasurer, Mrs. Henry Valk, and 3 plans were formulated to present to the League to be voted on at our next meeting.

Plan I — Children's Center

Give up to \$15,000 over a period of 3 years for kindergarten teacher's salary.

Plan II — Community Center

Give up to \$15,000 over a period of 3 years.

Plan III — Combination

Give proceeds of Rummage Sale up to \$5,000 to Community Center and give up to \$15,000 over a period of three years for kindergarten teacher's salary.

The League voted unanimously to accept Plan III.

Please let me take this opportunity to thank each member of this Committee for her interest and for doing a wonderful job.

Chairman

MARY LIB STEELE,

BY-LAWS

The By-Laws Committee was asked to study and recommend changes concerning the payment of fines. The Committee recommended to the League at the October meeting that an additional sentence be added to the last paragraph of Section 2, Article VIII—Financial arrangements. The sentence to read, "An additional twenty-five cent penalty for each month a fine is in arrears shall be added." This change was voted on and accepted at the November 1955 meeting.

A study was made by the Admissions Chairman and the Provisional Committee and it was recommended to the By-Laws Committee that the date for accepting Provisional members into the Winston-Salem Junior League be changed from February to April. This recommendation was presented to the League at the December meeting and voted on and accepted at the January meeting.

This change in the By-Laws was affected by changing the words, "February" in parts B and C in Section 2, Article III, Membership.

Dr. Dale Gramley, President of Salem College, spoke to a group of Provisionals, Board members, and other interested League members on "Parliamentary Procedure". This was a most helpful talk and I hope it will be repeated in the future.

Respectfully submitted,
LUCY PAGE WILSON

CIVILIAN DEFENSE

As Junior League Civilian Defense Representative, I attended all meetings relative to the establishment of the first Ground Observer Post in Forsyth County. I also attended a meeting in connection with the training courses given by the American Red Cross for the mass feeding of disaster victims.

Seventeen Junior League girls attended the two-hour lecture course for Sky-Watchers. Since activation of the Winston-Salem Ground Observer Post February 1 our volunteers have manned the post each Sunday from 12:00 to 6:00 P. M. Nine girls are presently working 2-hour shifts once each week or one each two weeks, or once a month.

A number of Sustaining members attended the 12-hour training course for the mass feeding of disaster victims.

Respectfully submitted,
BETTY HUTCHESON

CHILDREN'S THEATRE

The Children's Theatre presented in Reynolds Auditorium "Cinderella" by Harry E. Davis on March 15 for the City school children. The Kindergarten, first, second and third grades attended.

There were twenty-six girls in the cast. We reached about 2,117 children. Doris Pardington was the director this year and did a marvelous job.

The success of the play is due to my committee chairmen composed of seventeen girls, plus their committees who were exceptional in their cooperation, interest and enthusiasm.

Respectfully submitted,
SIS CARTER DAVIS

CULTURAL ARTS

The Cultural Arts Committee met once during the year to plan for three exhibitions, EUROPEAN PORTRAITURES, AMERICAN ARTISTS, INVENTORS AND CRAFTSMAN and A LANDSCAPE VIEW, which were sponsored by the Junior League and were shown in the Public Library from December 1st through January 15th.

These three exhibits travel together as a group, sent to us by the American Federation of Arts. It was publicized by radio, television, and newspapers. The Cultural Arts Committee held an open house for the opening of this exhibit with more than two hundred people attending. One hundred and forty League girls acted as hostesses for the show, and one thousand five hundred people viewed it.

The Chairman attended monthly Board Meetings of the Arts Council. The Committee helped with the Food Booth at the Fair.

Respectfully submitted,
MARTHA H. WOMBLE

EDUCATION

The Education Committee met three times during the year. The entire committee, composed of eight girls and the chairman, did the general planning; then each member was responsible for the details of one program.

The following is a resume of the programs presented:

May—Mr. Chester Davis spoke on the "Development of North-west North Carolina".

June—At the luncheon meeting at Forsyth Country Club, League children took part in a fashion show.

October—Mr. John Ieule, conductor of the Winston-Salem Symphony, and Mr. Ralph Burgard, director of the Arts Council, spoke.

November—Miss Elizabeth Reigner spoke on the theatre, with emphasis on children's theatre.

December—The Project Committee presented their findings.

January—This program was again turned over to the Project Committee

March—Dr. Mark Depp was our guest speaker.

April—Miss Elizabeth Trotman and Mr. Dick Henkel gave their rendition of "The Four Poster".

Respectfully submitted,
ANNE B. STRICKLAND

FINANCE

There was one meeting of the Finance Committee during the year. The expenditures of various committees were studied and an estimated budget for next year drawn up. The question of raising the dues to meet the raise of A. J. L. A. per capita dues was discussed, and after careful study, rejected until such time when surplus funds have to be spent.

The Rummage Sale netted \$5,493.43 this year. This figure was not invested, but kept on checking account until further decisions from Project Finding.

HOSPITAL THERAPY

In October, the League voted \$500 for the furnishing and equipping of a playroom on the pediatric floor of the Baptist Hospital. The project was the outcome of three years of volunteer placement service in our Hospital Therapy program. We have provided decorations, curtains, shelves, blackboards, bulletin boards, and an adjustable table for the playroom. With the exception of the actual carpenter work all the improvements were done by League girls and husbands. The regular workers, assisted by special volunteers, painted, designed, and sewed the equipment.

In the past year there have been 20 regular workers, 4 substitutes and 16 provisionals who have served. The playroom has been staffed by 2 girls 5 days a week throughout the winter months and 3 days a week during the summer.

Two meetings were held during the year. The first meeting in October was held to establish programming procedure and to plan the playroom. There is now a specific planned activity for each day with necessary patterns, directions and supplies for 25 children on file in the playroom. The volunteers share the responsibility of these programs. A second meeting in February at the hospital was held to demonstrate new procedures and the use of the new room.

Through interest generated by our program, 2 garden clubs have provided 2 window boxes each, and a third garden club plans to furnish the terrace outside the playroom. Several Baptist church groups are correlating their activities to supplement our program—one group making an additional 19 toy bags. A study club is supplying blocks, records, and stuffed toys. The Girl Scouts are assisting by assembling kits to be made by the patients and providing tray favors at holidays. Six troops have provided toys and seasonal gifts for the patients. Every effort has been made to incorporate the activities of other interested groups in equipping and maintaining the room.

I would like to take this opportunity to thank each one of the workers, as well as the other people in the League who helped to make the expansion of this program possible.

Respectfully submitted,

BETTY CLAUSET

HOSPITALITY

The 1955-56 Hospitality Committee has worked under the handicap of changing chairmen in the middle of the year. We all regretted the out-of-town move of Frances Barnes.

Under her chairmanship the June luncheon meeting was held at the Forsyth Country Club. There was a short business meeting and during lunch a delightful children's fashion show which had been arranged by the Education Committee.

In October we gave a barbecue and a square dance at Tanglewood for League members and husbands.

The annual Junior League dance was held in February at the Robert E. Lee Hotel. With three hundred and forty-three reservations, good music, and a delicious buffet dinner we think that it was quite successful.

During the year we have called on transfers and delivered handbooks and brochures.

The last function of this committee was to serve refreshments at the annual meeting in April. This was done in conjunction with the incoming Hospitality Committee.

All the members of this committee have been most cooperative and I would like to thank each one for her wonderful assistance throughout the year.

Respectfully submitted,
TATUM S. ROBERTSON

LIBRARY

The Junior League allotted \$1,500 for the fiscal year April 1, 1955 to March 31, 1956 to be used on programming for the Children's activities in the City-County Library. Eleven people served on the Library committee with seven sub-committees, and it was due to their untiring efforts and the cooperation of few volunteers that we accomplished the following:

A clinic on the "Art of Story Telling" by Dr. Elizabeth Welch, Head of the Psychology Department of Salem College, was held on April 26th and 28th in the Children's Room at the Library. It was very informal, questions were asked and problems were discussed. This was well attended and proved very helpful to the story tellers.

The Exhibit Committee chairman and her six co-workers supplied the exhibit case with different displays every month on Foreign Countries. These have been outstanding exhibits and have been thoroughly enjoyed by both adults and children.

The Film Committee bought four 16mm sound-color films. This Committee also rented six full-length Disney films and used three films, at no expense, from the Ford Foundation, for the Summer Program. These films for the Summer Program were shown every other week on Saturdays, and one was shown on Wednesday during the vacation months. The attendance at these showings was always over one hundred children and sometimes we had as many as three hundred.

The Book Week Chairman secured Dr. Elizabeth Welch for Book Week. Dr. Welch conducted four Story Hours at the Library and one for teen-agers at the Y. W. C. A. Attendance for her four appearances totalled three hundred thirty-three and had the adults been counted we would have had one hundred daily attendance for each of her programs.

The Story Hour Co-Chairmen planned Story Hours each Tuesday and Wednesday with an average attendance of ninety-five to one hundred twenty-five children monthly.

A Christmas party was given for regular Story Hour attendants. Movies were shown and refreshments were served. As in the last two years, this Committee gave the Children's Room a tree which was decorated by the Girl Scouts.

This committee has had wonderful publicity through the cooperation of both the Winston-Salem Journal and Sentinel.

It is our desire that the remaining \$728.90 of this year's allotment be used to buy furnishings, in keeping with the existing furnishings, for a Reading Corner in the Children's Room.

As Chairman, I would like to thank all of my committee for the outstanding job that each one did, and the Junior League volunteers for their interest and cooperation in making the Library program possible.

Respectfully submitted,
SUZANNE W. LaROQUE

MAGAZINE

This year brought us a new-styled magazine with Alice Towsley as editor. The magazine is published bi-monthly and reflects decisions reached by the delegates at the Sun Valley Conference last May. These decisions pre-determined that a magazine be published which would fulfill the needs and interests of all Junior League Members.

The magazine is smaller than the old one but larger than a Reader's Digest, the motto being "Bigger Things in a Smaller Package." Each issue will have its own focus on some aspect of Junior League thinking and program. In planning it, the information from magazine studies conducted during the past three years has been utilized.

The advertising program has been curtailed and now all advertising in the magazine is unsolicited.

Announcements of all births, marriages and adoptions have been sent in to the Tidings Editor, and changes of address have been sent in to the Circulation Department.

All magazines published this year were kept and are now in the Junior League files.

Respectfully submitted,
JANE G. McDOWELL

NEWS SHEET

During the year 1955-56, eight issues of the Newsheet were prepared and mailed to all members of the Winston-Salem Junior League, to all Leagues in Region XIII and to all ad-

vertisers. Six copies of each issue were sent to AJLA, and one, to the Regional Director. The Christmas issue was enlarged to six pages instead of the usual four pages. No issue was published in January since the January membership meeting was not held. Two special features were used throughout the year. One was a column devoted to articles written by Junior League husbands and the other was a series of articles by Margaret Vardell from Germany.

Advertising continued to be very successful with twelve regular advertisers. Our advertisers have been most cooperative and funds from advertising have paid over half the cost of publication.

The plan of having two Provisionals work on each issue has been very satisfactory to the Provisionals as well as to the Committee. This plan successfully introduces the work of the News-sheet staff to the Provisionals without placing on them the entire responsibility for one issue.

The Newsheet Committee has continually and earnestly endeavored to cover League activities, AJLA news and community programs and activities of interest to the League members.

BETTY GULLEDGE

NOMINATING

The Nominating Committee held its first meeting in October, when it was decided to again make use of the straw ballot, as a guide in the selection of officers. This straw ballot was presented to the membership in November; after which the Committee began their work on the slate for the coming year.

In December, a slate of delegates to the Regional Conference was presented to and voted on by the Board.

On January 15 the Nominating Committee mailed the slate of officers for the Junior League for 1956-57 to all active members. This slate was then presented to the membership for election at the combined January-February meeting.

At the March meeting nominations for the Admissions Committee were made by the membership from lists of girls eligible to serve on this committee. Also, delegates to the National Conference were elected.

In April, the names of members eligible to serve on the Nominating Committee and the list of nominations for the Admissions Committee were presented to the League for election.

Respectfully submitted,
ANNA LEAK LIIPFERT

PLACEMENT

In September the Placement Committee met with Mrs. Lois Dehart, Executive Secretary of the United Fund Volunteer Office. Mrs. Dehart scheduled appointments and accompanied

the committee on visits to each community agency where volunteers are used. A chart was compiled and mailed to each league member before the interviews which took place the last week in September. Volunteer jobs at the Community Nursing Service and the Red Shield Boys' Club were offered for the first time.

The following is a summary of the volunteer services given by league members during the year:

There were 16 regular volunteers doing recreational therapy with convalescing children at the Baptist Hospital. In addition, 5 others helped in decorating the new playroom in the pediatric wing. 6 regular volunteers and 5 substitutes were storytellers in the Library Children's Room; 9 members served on committees in connection with the Children's Room Project.

7 were staff aides at the Bloodmobile and 5 did typing for the Red Cross office. 6 volunteers worked regularly at the Children's Center, and 5 helped by making things at home for use at the Center. There were 4 volunteers at the Child Guidance Clinic at Graylyn and 5 at the Baptist Hospital O. B. Clinic.

Two League members were co-chairmen of the Woman's Exchange and 10 were volunteers there. 20 members held jobs with the Radio and Television Council.

Three members did work for the Health Associations, 2 for the Community Nursing Service, and 2 for the Red Shield Boys' Club. 12 worked for the Ground Observer Corps.

The league sponsored two art exhibits at the Public Library from December 1 through January 15. 67 volunteers, including 5 sustaining members, served as hostesses. In March the Children's Theatre Committee presented "Cinderella" to the city school children through the third grade. Approximately 62 members worked on the play in some capacity.

Each league member worked at least 8 hours for the rummage sale, and some gave many extra hours.

Short-time jobs filled by league members included the Toy Shop, Arts Council Fair Booth, Follies, membership drives and furnishing transportation for the Golden Age Club.

In addition to the above statistics, the league has 62 members holding 108 positions on 32 different community boards.

The chairman attended 3 meetings of the Volunteer Office Advisory Committee and gave reports on the League's community service program.

I would like to express my appreciation to every member of the Placement Committee and to each league member for splendid cooperation. Because of this we have had a busy and successful year.

Respectfully submitted,
LIL MARION

PROVISIONAL

In April 1955 we had 17 Provisional members, 14 of whom were accepted into active membership on January 31, 1956,

after satisfactorily completing their course. One member was accepted to active, non-resident membership, one transferred to another Junior League as a Provisional, and one, who was unable to take the community lecture series, will complete her course with the next group of Provisionals.

The girls worked at the Library in April and May, did Hospital or Recreation work in June and July, and worked on a United Fund job in August and September. The Rummage Sale and a course at Arts and Crafts were completed in October. A lecture on AJLA and one on Parliamentary Procedure were given in November and in December each girl had a placement interview.

No new Provisionals were invited to join the League in February as has been the custom. The By-Laws were changed to enable these girls to join in April, thus having their year and course coincide with the fiscal year of the League.

It was a pleasure to work with these attractive and conscientious girls, and they should all make enthusiastic members of the League.

Respectfully submitted,
E. SUE SHORE

PUBLIC RELATIONS

The Public Relations Committee, consisting of a representative from the Library, and four other members, held its first meeting in October. However, during the summer an investigation was made as to the possibilities of a ten to fifteen minute movie on the League activities. The conclusion drawn was that the job could not be done well except by a professional photographer. The cost of this made the idea seem unattractive at the time.

At the October meeting plans were started for a luncheon to honor members of the community who had helped the League. These consisted of members of the press, provisional speakers, representatives from Hull-Dobbs, Lentz Transfer, the Public Library, the United Fund, and the Radio Council. The luncheon was held in December at the Twin City Club. The Executive Board of the League, with the Public Relations Committee, acted as joint hostesses.

A list of facts about the League was drawn and given to the newspaper to be used as fillers.

Three five-minute informal talks on the League were tape recorded for the program "Week End," on station WAIR.

The scrapbook concerning League activities and League personalities was kept up to date.

I would like to thank the members of this committee for their cheerful and efficient cooperation.

Respectfully submitted,
JOY BENNETT

RADIO - TELEVISION

The Radio-TV Committee of the Junior League operated in a strictly promotional capacity during the year.

Summary of the year's activities:

1. Many spot announcements were written for the promotion of the Rummage Sale and one 15-minute television program was presented on Station WSJS.

2. The committee has collected pamphlets and materials on TV from the educational angle.

3. The chairman attended a two-day conference on Educational Television sponsored by AJLA at Chapel Hill. This was a most valuable experience and a complete report on the workshop and the conference will be found in the files.

Respectfully submitted,
LOUISE A. BAHNSON

RUMMAGE SALE

The Junior League Rummage Sale was held this year at the Hull-Dobbs Company showrooms on October 27, 28 and 29, 1955. All the marking, collecting and sorting of merchandise was done at Lentz's warehouse. Both these companies were most generous in donating their space.

Collection of donations from merchants, manufacturers, and sustaining members began in June, with quota being brought in to Lentz's warehouse the seven weeks prior to the sale. All the marking and sorting was accomplished during these seven weeks.

The entire League, both active and provisional members, worked not only before the sale, at some phase of pre-sale activity—soliciting, marking or publicity—but also four hours during the sale.

All merchandise that was not sold at the end of the sale was donated to the Memorial Industrial School and the Goodwill Industries.

Personal letters of thanks were sent to all the people who had donated merchandise or lent us properties, and a representative from both Hull-Dobbs Company and Lentz Transfer and Storage were invited to the Community Luncheon given by the League in way of thanks for their generosity and assistance.

This, our one money-raising project, was a great success in every respect. Our total sales amounted to \$6,058.84, and our expenses were kept to a minimum of \$564.91, leaving us a net profit of \$5,493.43.

My grateful thanks go to the entire League who helped make this sale the success it was, but most particularly I want to thank every member of my committee for their splendid support and untiring efforts.

Respectfully submitted,
ELEANOR B. REID

By-Laws of the Junior League of Winston-Salem

ARTICLE I—NAME

The name of this organization shall be the Junior League of Winston-Salem, Incorporated.

ARTICLE II—OBJECT AND POLICIES

Object: The object of this League shall be to foster interest among its members in the social, economic, educational, cultural and civic conditions of the community, and to make efficient their volunteer service.

Policies: The policies of the League shall be in harmony with the policies of the Association of Junior Leagues of America, Incorporated.

ARTICLE III—MEMBERSHIP

Section 1. Classes of Membership

Only women under forty years of age who shall comply with the requirements of the Association shall be admitted to membership by the League. No member shall at any time be a member of more than one League. The classes of membership shall be as follows:

A. Provisional Membership

Provisional members are those who are engaged in complying with the requirements for admission to Active Membership and are not eligible to vote or hold office. Provisional members shall be required to complete a provisional member's course, which shall meet the standards set by the Association and a period of volunteer service satisfactory to the Placement Committee within twelve months after their election to provisional membership. An extension of time may be granted by the Board of Directors in the case of provisionals who for unavoidable reasons are unable to complete the course. Provisionals who have completed these requirements are admitted to active membership by a three-fourths vote of the Board of Directors. Those members failing to meet the provisional requirements shall be dropped from membership by a three-fourths vote of the Board of Directors and may not come up again for membership within two years.

B. Active Membership

Active members are those who have completed the requirements for provisional members and who, having been admitted to active membership, justify such membership through service to their communities. An active member shall enjoy all rights, privileges and obligations of membership until the end of the League Year (which need not be the League's fiscal year) in which she reaches her 40th birthday, provided, however, that any active member who holds a position as an officer or director of a League immediately prior to her 40th birthday, shall be considered an active member for all purposes until the completion of such term as officer or director. They shall justify their membership by the equivalent of one-half day's work per week in established community agencies using volunteers and/or activities identified with the Junior League.

C. Sustaining Membership

Sustaining members are those who have reached the age limit for active membership. They shall have all privileges of membership except that they may not hold office or vote.

D. Non-Resident Membership

Non-resident membership shall be open to active or sustaining members in good standing, living outside the County of Forsyth, North Carolina, nine months a year. They may not vote or hold office. Active members who become non-resident in a League town, may retain it for two years only, unless home League grants an extension.

Section 2. Admission to Membership

A. Eligibility

A proposed member shall be from nineteen to thirty-three years of age, shall have completed her schooling, and shall have been a resident of Winston-Salem or its vicinity for at least one year. She shall have a personal interview with the President and the Provisional Chairman. Before she accepts the invitation, she shall agree to fulfill the duties and obligations of membership.

B. Proposal of Members

Each candidate shall be proposed by one member and seconded by two members on an application blank provided for the purpose. No candidate shall be proposed or seconded by a member of the Admissions Committee nor of the Executive Committee, nor by her relative (mother, mother-in-law, sister, sister-in-law, aunt, niece, or first cousin). No candidate shall be considered whose name has been proposed and voted on four times.

Application for membership shall be received by the Chairman of the Admissions Committee at any time during the year. The deadline for applications for those members to be taken in the following April shall be June 1. Only one blank for each candidate shall be accepted by the Admissions Committee.

Any eligible Active or Sustaining member may propose one candidate and second one candidate during a given year, but no member shall write to the committee in behalf of a candidate. No member of the League shall contact any member of the Admissions Committee in behalf of a candidate except at the open meetings held for this purpose.

C. Election to Membership

The chairman shall present the names of proposed candidates to the voting members of the Admissions Committee, and each shall vote by secret ballot. Eight affirmative votes of the Admissions Committee shall qualify a proposed candidate for membership. Invitations shall be mailed immediately to those elected, and the names of those who accept shall be announced by the Admissions Chairman at the April meeting.

If a candidate is unable to take the Basic Provisional Course or to transfer to another League, she must decline the invitation to membership. In this event, the invitation shall be re-issued the following year only.

Section 3. Changes in Membership

Applications for change to another class of membership shall be made in writing to the Corresponding Secretary and will be acted upon by the Board of Directors at any time during the year.

Inter-League Membership

A member of any League who is subject to frequent change in residence may have an Inter-League card issued to the Secretary of the League in which she will be temporarily residing by the League of which she is a member (hereinafter called the home League). Such card shall accredit her temporarily to the League in city where she is then residing (hereinafter called the temporary League). She shall have all privileges of membership in the temporary League except the right to vote or to hold office; or to propose or second candidates for membership in the temporary League; she shall comply with the requirements of and be subject to the rules of the temporary League. An Inter-League member shall continue to be listed as a member of, and shall pay her regular dues to the home League, and the home League shall have final responsibility for her in all matters. An Inter-League card is issued for one year unless extended by the League to which the card is issued. Any extension shall be limited to an additional year. A League to which a member is temporarily accredited may charge such member for special club privileges or for the actual cost of her membership.

Transfer of Members

Provisional, Active, Sustaining and Non-resident members in good standing shall have the right of transferring membership from one League to another. Members who are in a League special classification may not transfer in such special classification but may transfer only when in a classification recognized by the Association. The right of transfer granted in this section need not extend to a person who has been dropped or expelled from membership by the League to which transfer is desired. Provisional members shall take any additional training required by Leagues to which they transfer. A League may require all Active members who are applying for transfer to take an orientation course before their transfers are accepted. A League shall not be required to accept Transfers which exceed twenty-five per cent of all admissions to membership in any one year. If it is necessary for Transfers to be put on a waiting list, they shall be accepted in the order in which they apply.

Section 4. Resignations, Dropped Members, Re-intatements

A. Resignations

Any member of the League who is not in arrears in dues or in the performance of League duties may resign. Resignations shall be made in writing to the Recording Secretary of the League at least two weeks before dues become payable; otherwise members shall be liable for dues for the coming year.

Reservations

In writing for information or to make a reservation, always address Guest Room Hostess, Association of the Junior Leagues of America, Inc., The Waldorf-Astoria, New York 22, N. Y.

It is advisable to write for reservations as far in advance as plans will permit. In case of cancellation an immediate wire is requested. This not only protects the Association against loss, but prevents turning away other members who could be accommodated in your place.

Reservations received by wire are answered by Western Union collect. Please indicate the name of your League when making reservations.

Since there are so few rooms in the Junior League section, it is possible to assign the best accommodations only if we know in advance the exact date of arrival and the maximum length of your stay. It is often impossible to retain rooms longer than the time specified in the reservation, due to the fact they are reserved for the very date they are to be vacated.

Registration

8 A.M. to 10 P.M.—Upon arrival, please take the West elevators and go directly to the guest room desk in the A.J.L.A. office on the 19th floor to register.

10 P.M. to 8 A.M.—Upon arrival, kindly register at the front desk of the Waldorf-Astoria Hotel.

Length of Stay

Because of the great demand for accommodations, it has been found necessary to limit the length of stay to one month for members and two weeks for guests who are put up by members.

A.J.L.A. Departure Time: 12 Noon

Those retaining their rooms after departure hour will be charged for another day. Due to heavy bookings, we are unable to promise that accommodations always will be assigned immediately upon arrival.

Hotel Departure Time: 3 P.M.

Eligible Guests

Relatives of members may be put up for a period not exceeding two weeks, and may stay for a month if accompanied by members.

Written authorization from a League member is **REQUIRED** for putting up guests.

MEMBERS SHALL BE RESPONSIBLE FOR ANY UNPAID INDEBTEDNESS INCURRED BY GUESTS INTRODUCED BY THEM.

The AJLA Board adopted new arrangements on rooms in the Waldorf-Astoria through room facilities. Such rooms will be available for use of Junior League members and their immediate families only.

Members are requested to write headquarters for the necessary form to be filled out for non-members, who cannot be accepted until this form is received (No form is necessary for members or non-members who accompany members.)

When bringing guests, it is well to send their names in advance. This insures holding of messages and communications received at the hotel previous to arrival.

Telephone Connection.

The most direct way for your friends to reach you is by calling the Waldorf-Astoria, Eldorado 5-3000, and asking for you by name. If you are out, messages may be left with the Waldorf operator and will be typewritten and sent to your room. The Junior League may be reached through the Waldorf number, or direct at Eldorado 5-4380. We will be glad to give information and render any assistance possible to your friends in reaching you.

Bills

Bills are mailed to guests after their departure unless they prefer to pay before leaving.
