HISTORY OF THE ASSOCIATION OF JUNIOR LEAGUES OF AMERICA

The Junior League represents a serious endeavor on the part of young women to become active and constructive factors in the communities in which they live, to be intelligent citizens, and to assist in promoting human welfare. In addition to providing the member with channels of work and training for volunteer service, the Junior League helps her to realize two vital concepts: (1) that she is not an onlooker, but is herself a part of the community; (2) that the community, in turn, is not an isolated unit but part of the nation and of the world.

It was in 1901, at the beginning of a new era for American women, that the first Junior League was organized in New York. At that time Mary Harriman (Mrs. Charles Carey Rumsey) and Nathalie Henderson (Mrs. Joseph Swan) realized what might be achieved if a group of young women were encouraged to take a more active part in some form of active service to their own neighborhoods through the settlement houses and other organizations in existence at the time.

Soon organizations similar to that in New York were formed in various other of the large cities—Boston, Brooklyn, Portland, Ore., Baltimore, Philadelphia, and Chicago. In the spring of 1912 six of the seven Leagues then in existence held their first national conference in New York City. In 1921 the Association of the Junior Leagues of America, Inc., was founded by the thirty Leagues then in existence. Mrs. Willard Straight (Mrs. Leonard K. Elmhirst) was elected President and a Board of Directors was appointed and instructed to draw up a constitution.

After 1921 the Association grew rapidly until, in 1923, there were sixty-three Leagues. In order to establish a closer contact between the Leagues and the Association, the country was divided into six territories and in each a League member was appointed Regional Director to act as liaison officer between the Leagues of the Region and the Association and to serve on the latter's Board of Directors. Now there are fourteen Regions, in each of which the Leagues elect every second year a member to serve as their Regional Director.

At the time the Association was first formed most League activity was in the realm of social work; but the Board of Directors, realizing the opportunities which would eventually offer themselves to Junior Leagues, set down in the constitution the social, economic, educational, cultural and civic fields as those in which Junior Leagues should interest their members.

Gradually the Leagues realized that a benevolent "doing for others" was not enough, that they must form a partnership with professional community workers to effect the improvement of conditions. To do this required knowledge. As evidence of this the first course for provisional members was established in 1921 and such a course, which includes an examination of the various forces at work in the community, has been a prerequisite for

active membership since 1927. Originally League projects were large enterprises—convalescent homes, day nurseries, curative workshops and the like. It was discovered, however, that to support these undertakings a disproportionate amount of time and energy often was going into moneyraising to the exclusion of the educational process of volunteer service. Today where Leagues have projects the recommended type is one in which the demonstration element is present, the choice being based on the needs of the individual community in the light of the interest and money-raising capabilities of the League.

The League's realization of the need for expert guidance in its welfare activities soon led to the establishment of a trained social work staff at the Association's offices. Members of this staff were available for visits to Leagues to study the local situation and give advice. Similar service was then made available for Children's Theatre, Arts, Ways and Means, and Publicity. The Association also publishes the *Junior League Magazine*, issued semi-monthly to each Junior League member.

HISTORY OF WINSTON-SALEM JUNIOR LEAGUE

The Junior League of Winston-Salem had its beginning as the result of a meeting called by the late Mrs. J. Edward Johnson (former widow of Richard J. Reynolds, founder of the R. J. Reynolds Tobacco Co.) on January 13, 1923. About 40 young women met at her house at Reynolda. They were advised that they should devote time and energy to social service.

Mrs. Bess Gray Plumly called the group together a few weeks later, and the late Miss Marian Blair suggested that the group apply for membership in the Association of Junior Leagues of America.

In March, 1923, the Winston-Salem Junior League became the 46th in the Association and the first in North Carolina. The late Mrs. Lucy Hanes Chatham was the first president.

During the first five years the League was active in many projects such as opening a gift shop, sponsoring a pre-natal clinic, opening a Hospital for Incurables, operating a beauty parlor and forming a Children's Play Committee.

The next ten years show that the League was continually expanding into new fields. The Newssheet was begun and a placement system was put into effect. The League also continued operation of the Hospital for Incurables, opened a Rag Market (later the Thrift Shop) and helped organize the Civic Music Association. After the Hospital for Incurables was closed on June 1, 1937, the League assisted in the organization of the Mental Hygiene Society of Winston-Salem. The League also financed a Child Guidance Clinic which opened on November 1, 1937.

The next several years the League continued to sponsor and finance the Child Guidance Clinic. New projects included the

Hall of History, presentation by the Junior Programs, Inc., and the bringing to town of four New York Dramas of the Contemporary Theatre Series. The League also joined with other interested community groups in forming the Children's Theatre Board.

In 1941 the League's program of planned expenditure of surplus was begun with \$3,000 donated to the Red Cross War Fund, \$1,000 given to the Library Fund of the Winston-Salem Teachers College, \$5,000 given to the Family Service Agency for the establishment of a Child Placing Agency and \$4,500 to the Community Council for the development of the Radio Plan.

In 1942 the Child Guidance Clinic was closed and in 1943 the gift shop was sold.

During the war years the League members devoted the major part of their volunteer service to war-related activities. Support of the Radio Council continued as well as a donation of \$1,000 to the Wachovia Historical Society. A survey by Miss Virginia Lee Comer, AJLA Arts Consultant, showed a need for development and expression of the creative arts in our community. In 1945 the beauty parlor was sold. In 1945 the major portion of the League's surplus was donated to the community. The 400 shares of Reynolds B stock was divided as follows: 50 shares to the City-County Hospital, 50 shares to the War Memorial Building Fund, 120 shares to the Mental Hygiene Society and 180 shares to the City Library. The Junior League Hospital Building was deeded to the Winston-Salem Foundation.

The League entered the cultural field during these years by opening an Arts and Crafts workshop with Mrs. Chester Marsh as director. The League continued its financial support of the Radio Council and put aside \$7,200 for the employment of a Community Arts Coordinator when the Arts Council proved its readiness to handle the money. The League also contributed \$500 to the Piedmont Festival and sponsored a concert of the newly formed Winston-Salem Civic Orchestra.

In 1947 the city withdrew its support of the Arts and Crafts program and the League assumed the responsibility for the administration, financing and promotion of the workshop.

Support continued to the Symphony and the Piedmont Festival and in 1950 the League released the gift of \$7,000 which it had held in trust for the Arts Council. In March of 1952, \$3,000 was granted to the workshop and in 1951, the Arts Council established an Arts center and moved in a building owned by the Winston-Salem Foundation. In March the League's financial contribution to the Arts Center was completed through coordination of fund raising for the Arts groups under the Arts Council.

In 1952 the League had as its project the Children's Activities Program at the new City-County Library. The League voted the Library \$1,500 for the first year and limited the League's sponsorship to three years. The League also continued support of the Arts Council with a donation of \$5,000.

Two art exhibits were sponsored by the League in 1953 and recreational therapy was done in the Children's Wing of the

Baptist Hospital. The next year showed the closing of the Thrift Shop and the beginning of our annual Rummage Sale.

In 1955 our three-year activity program for children was completed at the Public Library. The Recreational Therapy program at the Baptist Hospital was enlarged and the League continued to bring outstanding art exhibits to the Library. A new project was begun—providing the salary for a primary education teacher for the handicapped at the Children's Center.

During the next year the League strengthened existing projects and added to those services. A program for handicapped adults was begun and the therapy program at the hospital enlarged.

The Adult Handicapped program grew rapidly and the Hospital Therapy program was continued. The Cultural Arts Committee arranged a bus trip to Raleigh to tour the State Art Museum and \$150 was offered as a purchase prize to the Gallery of Fine Arts in the name of the Junior League. A successful Rummage Sale was held as well as 5 marvelous productions of the play *Sleeping Beauty*.

In 1957 the League again contributed \$5,000 to the Children's Center providing the school with a kindergarten teacher. An art exhibit drew 3,700 people and the Rummage Sale was a great success. Night meetings were begun for professional members and those unable to attend the morning meeting. Two brochures were printed—one dealing with Admissions policies and the other describing the community activities of the Winston-Salem Junior League.

The League continued to strengthen existing projects in 1958 by donating \$2,000 a year for the next two years to provide an aide at the Children's Center, by buying a metal awning for the Pediatric Ward at the Baptist Hospital and by giving \$1,155 to the Arts Council.

In 1959-60 the League accepted a new project by voting to pledge \$26,000 over a three-year period for the restoration of the Timothy Vogler Home in Old Salem. A vote to establish headquarters in the restored house and a vote for a substantial dues and initiation fee raise were important outgrowths of the visit of Mrs. Robert Dingman, Financial Consultant of AJLA. The League participated in the celebration of Winston-Salem, the All America City, by sponsoring an essay contest in the city schools.

In 1960-61 Regional Meeting was held in Winston-Salem for the first time. Delegates and observers from the twelve Leagues in Region XIII attended. The restoration of the Timothy Vogler House was completed, and \$15,000 was paid on the \$26,000 pledge to Old Salem. A new Admissions system was put into effect through extensive By-Laws changes.

In 1961-62 the League produced its first Follies, netting nearly \$16,000 and paid off its obligation to Old Salem. A puppet group was formed by the professional members.

In 1962-63 the League voted approval of two new projects: one, \$10,000 for remodeling the kitchen at the Amos Cottage; and two, a \$6,000 challenge gift for two years to the consolidated

school system for an art supervisor. The League calendar year was adjusted through extensive By-Law changes recommended by the newly formed Advisory Planning Committee. A revolutionary Children's Theatre workshop, under the direction of George Latshaw, AJLA consultant, was sponsored. Sixteen oil paintings were done for the Pediatric Floor at Baptist Hospital.

In 1963-64, the school system was unable to fill the position of Art Supervisor and did not take our challenge gift. Continued interest by and from the League resulted in a renewal of the \$6,000 offer for 1964-65 and a new vote of approval to make the same \$6,000 offer for 1965-66. An Art Supervisor was hired so the project will be carried through. A visit from the AJLA Art Consultant, Mrs. Nancy Vars, and many hours of study by the Project Finding Committee resulted in the approval of a Nature Science Center for a three year project with \$26,000 in financial support over the three year period and three members on the Board of Trustees. Fourteen oil paintings by League artists were presented to Forsyth Memorial Hospital for the Pediatrics Floor and a daytime group was added to the Puppet Committee. The Fortieth Anniversary was celebrated by the publication of an unusual and attractive new brochure, a dinner dance for the membership and a luncheon in honor of the charter members.

1964-1965. The new Art Supervisor arrived and was assisted in his program by the Community Arts Committee whose efforts culminated in a delightful May Day Exhibit of scholastic art on Salem Square. Work began at the Nature Science Center, which officially opened Spring, 1965. The Winston-Salem Civic Ballet was granted \$700.00 for a Christmas production. A painting by a League artist was presented to the Department of Public Welfare for the children's waiting room. In April, at the recommendation of the Project Research Committee, the League voted to accept the offer of the Red Cross to assume full financial and volunteer responsibility of our long standing project in the Children's Play Room of the Baptist Hospital. The elections of DeWitt Cordell as Regional Director and Anne Strickland to the Regional Nominating Committee, are proof of our capable, competent leaders.

ANNUAL REPORTS OF BOARD, 1964—1965

WINSTON-SALEM JUNIOR LEAGUE

PRESIDENT — MRS. CHARLES VANCE, JR.

Our world today seems to be thoroughly infiltrated, surrounded, and preoccupied with numbers. Everyone is figure-conscious, zip-code oriented, credit-card numbered, and telephone-trained away from the alphabet and into a digit system unparalleled in history!

Therefore, it seems only natural to present to you, in my annual report tonight, a few statistics I have compiled during these last few days.

In the course of this Junior League year, we have been guided by twenty-four major committees and thirty-six subcommittees. You attended 124 meetings of major committees alone, and thirty-five rehearsals for the play and puppetry productions. Four thousand seven hundred twenty-five copies of the Newsheet were printed and mailed.

If each active spoke on the telephone about League work just one time a week, and you and I know this is a ridiculously low estimate, that would total 8,736 calls!

I have kept an average of my own calls for the past two or three weeks, and if I give the most conservative estimate possible, I suggest to you that, even allowing for the summer lull, I, personally, have had 1,175 telephone conversations about the League this year!

Now — was it worth it, or was it all just “busy work”?

The *real* measure of any Junior League’s year is largely the measure of the growth of its members through training and service to the given community.

Taking service first, we have spent \$17,372.46 on the Community Service Program. This, in itself had an impact, of course. But its impact was increased ten-fold, backed up by the hours of planning and work you willingly gave — some in administrative capacity — but most of you, working without publicity. *You* are the team responsible for the Junior League’s program.

At the Nature Science Center, Debbie Sartin led her group of volunteers through the organization of committees and their activation into efficient working units. I applaud the way they all utilized their skills to transform the bare rooms and silent corridors of the Reynolda Barn into a center of bustling activity and education.

Mr. Antony Swider, the new Art Supervisor, arrived in town, by coincidence, the very day we presented the check for the challenge gift to the school system. Claire Christopher and the Community Arts Committee stood ready to assist his program in any way, and their efforts culminated in the delightful May Day Exhibit — when a display of scholastic art brought a hint of Paris or New Orleans to Salem Square.

I have seen first-hand the effect of our Adult Handicapped program, led this year by Frances Vogler. She and her committee brought relaxation and pleasure to many who participate in the monthly recreational programs. We are grateful, indeed, to these "Pearl Mestas"!

"Fox-In-A-Fix", the Children's Theatre production, became an educational and artistic success, as it gave some 3,823 children a glimpse of oriental theatre. Bouquets to Chairman Pam Burress, cast and crew, for this display of talent and ingenuity.

Anne Rigby and Marian Townsend headed the two puppetry troupes with spirit and originality. As a result, 1,150 children were entertained in hospitals, the Children's Center, Children's Home, Library, and Kindergartens.

If you have inspected one of the children's activity books made by Gale Gramley's Fun Book Committee, you know how clever these girls have been! And what joy the books must have brought to their recipients! They were distributed through the three hospitals, Children's Center, Amos Cottage, Visiting Nurse Service, and Welfare Department.

Our long standing project in the Children's Playroom of the Baptist Hospital was capably directed by Mary Glenn. This year, Red Cross Grey Ladies joined forces with League members, to provide volunteers. This proved successful, and in April, at the recommendation of the Project Research Committee, you voted to accept the offer of the Red Cross to assume full financial and volunteer responsibility for the playroom. This was a major step, and I am confident that the Red Cross will carry on the work with enthusiasm.

The Project Research Committee, chaired by Marty Hancock, carried on in-depth studies of several project ideas. They worked thoughtfully and conscientiously, and their meetings led to our grant of \$700.00 to the Civic Ballet for a Christmas production, and a painting for the Children's Waiting Room at the Department of Public Welfare.

The image of this Junior League in the eyes of community agencies is only as outstanding as the record of our volunteers. With Mary Louise Whitaker's efficient and interested leadership, the Placement Committee arranged to fill volunteer requests for twenty-one agencies and League work.

If we are to spend money to enrich life in this community, we must have a good income. Jean Spach, enthusiastic Chairman of our Rummage Sale Committee, guided our efforts to replenish the Community Trust Fund, and, with her committee, and your cooperation, revised the procedure and schedule to the extent that each volunteer hour was worth \$7.50. You heard tonight the wonderful results of this year's sale!

Now — with all this going on in the community, those involved in League administration were just that — involved — for the administrative committees are the necessary "back stage crew" for our program!

As Chairman of Advisory Planning, Anne Strickland demonstrated her leadership ability by directing studies of problems

relayed by the board. Innovations were recommended, when indicated.

The By-Laws Committee, under Vaughn Owen, put the recommendations into By-Law form for your approval, and as a result we have rescheduled elections for Admissions and Nominating Committees, with the latter enlarged by one member.

Aurelia Eller and the Education Committee brought the "outside world" to us, through eight stellar programs.

And Drane McCall's Public Relations Committee interpreted the Junior League to the "outside world" through splendid publicity. The two committees combined forces to arrange the November group coffees.

The Newsheet Committee provided a line of communication between the Board and membership. With Ann Ring as Editor, they presented newsworthy articles from the League and the community, and nine appealing, informative issues reflected challenge and conviction.

At the same time, Martha Field kept the Association Magazine informed with tidings, and news of projects! She was rewarded with a rare occurrence, when we did have an article in the Spring edition.

Down at Timothy Vogler, Betsy Miller and her Headquarters Committee worked constantly to keep up with the Secretarial work of this far reaching organization, and the decorating committee of Sustainers added to our Headquarters charm *and* efficiency with new furniture and new office equipment. While on the subject of Headquarters — I want to say "thank you" to the person who handled my correspondence and other paper work — Tibby Wetherall; for without Tibby, my letters would have been one long succession of carbon smudges and typographical errors!

Getting back to numbers, Suzanne Simpson and the Hospitality Committee must have become mathematical experts in the course of entertaining us with two luncheons, refreshments at night meetings, and the Peppermint Ball. They have juggled reservation totals, prices of rain hats and houses, a skimpy budget, and 360 candy canes!

Another form of warm hospitality and enthusiastic welcome was provided through the year by Mary Lu Whaling, and the Transfer Committee.

If we are to continue with such a vast program, we must look to the future. We must continue to seek and to train eligible Provisional members. To this end, the Provisional Committee, under the spirited leadership of Jane Masich, planned a comprehensive training course, and presented eleven new Actives to you in April.

You have seen tonight the promising results of the work of the 1964-1965 Admissions Committee. Margaret Leckie has guided their deliberations with competence and concern for League standards.

The future is also very much in the hands of the Nominating Committee — which, with Emmy Lou Long as Chair-

man, was successful on regional and local levels! The election of Dewitt Cordell as Regional Director and Anne Strickland to the Regional Nominating Committee, and the fine slate of new officers, are proof of their interest and ability to recognize capable competent leaders!

The Telephone Committee serves the League as a vital communications media, and I thank Lila Spencer and her committee for their limitless patience, as they made approximately 1,997 calls.

E. Sue Shore has been busily living up to her title. Ever since she accepted the appointment as Sustaining Advisor, she has sustained and advised me with her good, wise approach and her foresight.

I cannot define the work of the members of the Executive Committee in terms of hours or meetings or events. That would constitute a full report in itself. I *can* define it with such descriptive terms as efficient, inspired, dedicated. I want to declare that Pat, Algine, Bunky, Adrian and Mary Jo have served you and me with vision to see beyond routine duties, with perspective, and a sense of humor. They have been my closest advisors, and working with the larger consulting group, the Board of Directors, have given me encouragement and expert advice! I am happy for this opportunity to commend each one personally.

Surely all this array of activity amounts to much more than a list of numbers or a few phrases on a page. Rather, it constitutes another page in our history of dedication to purpose.

The obvious *tangibles* are the services to the Community in dollars and cents. The *intangibles* are the subtle, enriching influence of your work, and, above all, the certainty that you have all taken some giant steps toward that elusive something we often refer to as *maximum potential*. This is something which can never submit to statistics, because it is too great a force, and much needed in our time.

Emerson put it quite simply: "A sufficient measure of civilization is the influence of good women."

In closing, I want to thank you for giving me the opportunity to serve as your President, and for 365 days brimful and overflowing with challenge, excitement, and best of all, your friendship.

I congratulate you on electing splendid officers for this coming year. Your new President is endowed with a deep understanding of the potential of this organization, and under her leadership, the Junior League will surely thrive. I am delighted to present the gavel to Debbie Sartin, at this time.

Respectfully submitted,
Eleanor J. Vance

VICE PRESIDENT

Professional members attended five regular night meetings this year in September, October, January, February, and April, the coffee meeting in November, and two additional meetings, the March joint meeting and the May annual meeting. The Edu-

cation Committee obtained the following speakers for the professional meetings: Miss Alice M. Litwinchuk, Dr. Clark Vincent, and Mr. Thomas Wicker; and two programs were presented by members of the professional group, a panel discussion of "Work vs. Social Retirement" and a musical program. In addition the professionals heard a discussion of the power struggle in the Kremlin, a progress report on the Nature-Science Center, and League conference reports by attending delegates.

Professionals have been consistently informed of all League business and committee plans with a number of committee chairmen and Executive Committee members in attendance at each meeting. Two of the regular professional meetings were held at the Timothy Vogler House and four in League homes, and the average attendance has been fifteen.

The Vice President attended Regional Conference in Greenville, S. C. as a day observer and, at the request of the President, two Public Solicitations Committee meetings and the Salvation Army annual meeting. Concerning the November coffees the Vice President assisted with preparation of the agenda and the compilation of the results and served as a moderator. At the direction of the Executive Committee the Vice President served on the following League committees: Advisory Planning, Education, Finance, Placement and Public Relations.

It has been a great pleasure to work with the professional group and to serve the League in the capacity of Vice President.

Respectfully submitted,
Pat Vaughn

ADULT HANDICAPPED

The Adult Handicapped Club, the "Poke-Easy Club," has met monthly this year in twelve different places and for twelve varied programs. In May, Mr. Nicholas Bragg, Director of Education at Old Salem, showed the movie, "Rugged Road to Salem," and slides of the restored buildings in Old Salem.

Our annual June picnic was held at Tanglewood, so that members could attend a Symphony "Pops" concert. Jay Bonin planned an ice cream party in July at the Moose Lodge pavilion. The Poke-Easys helped make freezers of peach ice cream.

Evelyn Horton made all of the arrangements for us to attend the play, "Accent on Youth," in August at the Tanglewood Barn Theater. In September, Alice Hill, fourteen-year-old daughter of committee member, Page Hill, told us about her two-month visit to Bucaramanga, Colombia, this past summer as an exchange student. A Halloween party was held in the Goodwill

Rehabilitation Center's new cafeteria with trainees from the school as our guests. Anne Rigby, Chairman of the League's Puppet Committee, brought two of her puppets to entertain us, and League girls, Anne Badgett and Pat Vaughn played the baritone ukulele and auto-harp and led the group in singing.

In November, the Poke-Easys made table decorations for their annual Christmas banquet. Gilded pine cones and styro-foam balls were decorated with miniature ornaments, and tree ornaments were made from Christmas wrapping paper. The Christmas banquet was held at Centenary Methodist Church with Mr. Zeb Barnhardt assisting in making the arrangements. Roland Barnhardt presented a reading of the Christmas story. The Reverend Parks Todd of Centenary Methodist Church had visited with us earlier in the year at our ice cream party and had played his guitar and led us in singing.

Sally Lacy planned our January meeting. We were guests of the Piedmont Natural Gas Company for a program on economy cooking presented by their home economist, Betty Blalock. Our February meeting was a travelogue arranged by Molly Booe. The movie, "History of a Patriot," used as an introduction to the Reception Center at Williamsburg, was shown. One of the Poke-Easy members, Sammy Gough, showed his slides of the battleship U.S.S. North Carolina.

Corty Boss was in charge of our March meeting. Larry Vickers, classical guitarist, performed for us. Ann Campbell arranged a tour of the new Nature-Science Center for us in April. Myron Vourax, museum director, led us on the tour and Betsy Sawyer presented the Planetarium show for us.

I would like to express my appreciation to all of the Adult-Handicapped Committee, to the provisionals, and to the League girls who have appeared on our programs as well as to the interested citizens of our community who have made our programs possible.

Respectfully submitted,
Frances Vogler

ADVISORY PLANNING

The Advisory Planning Committee met five times during the year to evaluate assignments given to it by the Board. After thorough study, in cooperation with the committees concerned, the findings and recommendations were presented to the Board for decision.

The Board accepted the report, with the following specific recommendations concerning the Nominating and Admissions Committees: that the months for nominating and electing the Nominating and Admissions Committees be changed; that the Nominating Committee be enlarged by one member; and that the Admissions Committee be enlarged to include two sustaining members.

Respectfully submitted,
Anne B. Strickland

CHILDREN'S THEATRE

"Fox in a Fix", written by Lois Dean, was chosen as the Junior League's presentation for the Children's Theatre Board series. Our fun-loving, mischievous foxes and colorful Chinese actors drew 3823 kindergarten through 3rd grade children to see nine performances (October 26-30). This play was a new experience for the children and the Children's Theatre Committee alike, since all scenery and props (handled by the Property Man) were changed in front of the audience.

A provisional workshop was given with help of Co-chairman Sally Ruffin, all the Children's Theatre Chairmen, actors, our director, Doris Pardington, Children's Theatre Board Chairman Frances Stockton, and Mrs. Robert McCuiston, who gave an invaluable history of Junior League plays.

Lelia Wilson, Children's Theatre Public Relations Chairman, and Sally Castleman are this year's Junior League representatives on the Children's Theatre Board. Billie Goslen, our former Chairman, and I serve as individual members.

Sally Harper and her Play Readers Committee began work immediately after the play. This early start will allow this committee more time for ordering new scripts, reading them, and making a suitable selection for next year.

The Junior League play is the only amateur production which the Children's Theatre Board sponsors. Our standards must be professional. Seventy-three League girls donated enthusiastically their time and talents to this task. Most humble Chairman and Co-chairman wish to express greatest thanks to these girls and other interested individuals whose help made most honorable success of "Fox in a Fix".

Pam Burress

COMMUNITY ARTS

A purchase prize was offered to the Winston-Salem Gallery of Fine Arts for their fall jury. The Junior League purchase prize was awarded to Miss Patricia Minser of Wilmington, North Carolina for her oil painting "Swimmer at the Inlet." This painting was presented to Philo Junior High School.

Members of the committee attended the North Carolina Art Society meeting in Raleigh to see the demonstration of the new art kit which was then ready for distribution in communities and schools throughout the state.

A sum of \$25.00 was designated for an oil painting to be painted by a League volunteer and to be presented to the Forsyth County Department of Welfare. The painting will be placed in the children's waiting room of the new welfare building.

The Community Arts Committee participated in two art exhibits with the Winston-Salem Forsyth County School System under the direction of the art supervisor, Anthony Swider. In January the committee assisted in preparation for the Scholastic Art Exhibit. In the spring the committee planned for the May outdoor exhibit in Salem Square in which twenty-six junior and senior high schools participated. As well as advanced planning with Mr. Swider the committee worked with the art teachers in hanging the exhibit and served as guides and hostesses during the show. The League provided financial assistance to Mr. Swider for art supplies and for the exhibit brochure.

The Community Arts Committee was willing, cooperative and faithful this year as we worked with Mr. Swider in his first year as art supervisor for the Winston-Salem schools.

Claire Christopher

EDUCATION COMMITTEE

If any theme could be attached as a label for our educational emphasis this year, it would have to be a broad, general one, for the programs have encompassed many fields. We could say that our perspective has been sharpened and our understanding deepened, as we concentrated on League concerns through November coffees, on community activities as we listened to Doug Carter and the Welfare Panel, and on world affairs explained by Dr. Warren Lerner and Tom Wicker. Yet we also gained insight into the world of our children through the experience of Miss Litwinchuk and we understand ourselves more completely after a session with Dr. Clark Vincent. So if anything could be attached to this year's education as a theme, it perhaps might be "A study of ourselves, our League, our community, and our world for greater understanding."

In September, Miss Alice Litwinchuk, principal of Salem Academy, spoke as an educator as she took a look at young people. She repeated her talk to the professionals that night.

A panel of men in the welfare field was moderated by

Norwood Robinson in October. Speaking on "Work versus Social Retirement", Mr. John McDowell of the Forsyth County Welfare Department, Mr. Grover Teeter of the Employment Securities Commission, and Mr. Winfred Tyndall of the Associated Family and Child Service Agencies gave us a look at the Welfare program through their agencies. Our own Sally Lacy, who works with the Child Adoption program in the County Welfare Department, and Elizabeth Fenwick, who is with the Domestic Relations Court, gave a resume at the night meeting to the other professionals.

Seven coffees were held for the actives and provisionals in an informal setting in the homes of members in November, and generated active discussion and good ideas. The Education Committee acted as discussion leaders and the Public Relations Committee were the recorders. Through the interest of the sustaining advisor to the Education Committee, six coffees were held for approximately 150 sustainers the same week. These, too, generated good response and active discussion, and were led by members of the Education Committee. Before the coffees, a workshop was held for the members of the Education Committee to train them as discussion leaders. After the coffees, the committee met to evaluate and to summarize the discussions. This summary was reported to the membership at the next League meeting.

The program at the December luncheon meeting, to which all groups of members are invited, featured Douglas Carter, director of Special Services of the City-County Schools and administrator of the Governor's School. He spoke on the Governor's School, and presented one of his students, who demonstrated at the piano and in a delightful speech the talents and observations of the students attending the school.

January brought Dr. Clark Vincent, Professor of Sociology at Bowman Gray School of Medicine. The Education Committee felt so strongly that this type of study program would prove interesting and stimulating to the membership, that we asked for and were granted an additional grant of \$100.00 for Dr. Vincent's honorarium. His topic was "Self-Identity For the Modern Woman", and brought forth more discussion and comments from the members than did any other program of the year. Dr. Vincent repeated his talk to the professionals in the evening. Several interested League members enlisted other friends and their husbands and had a further study session with Dr. Vincent on a later evening.

Dr. Warren Lerner, Assistant Professor of History at Duke University, came to us in February and helped us examine the power struggle within the Kremlin in Russia and what it will mean to the Communist world, indirectly affecting Communist relations with us. A report of his talk was given to the professionals.

Our night meeting with the husbands as guests was held in March. Tom Wicker was the featured speaker. As chief of the Washington Bureau of the New York Times, he was extremely qualified to present up-to-date observations of Washington, the Johnson administration, and especially the Viet-Nam crisis.

The Hospitality Committee held a reception in honor of our guests following the meeting at the Community Center.

Our program year closed with a report at the April Luncheon meeting by Myron Vourax, director of the Nature-Science Center, on progress to date and plans for the future.

In addition to the programs at the League meetings and the November coffees, the Education Committee also assisted in Board Orientation with a presentation of a film strip on Parliamentary Procedure, and repeated the study to the provisionals at one of their meetings.

The committee members this year were a strong group who carried out every phase of the year's work with excellence — and it has been a busy year! Each took charge of one of the programs, made the plans, and introduced the speaker. Tibby Wetherall was our star reporter for the Newssheet and did a marvelous job of educating the membership about the speaker or program of the month. I, as chairman, am exceedingly grateful for the hard work and creative leadership that each member of the committee contributed.

Respectfully submitted,
Aurelia Eller

FINANCE

The Finance Committee, composed of eight members, met March 5th to discuss committee requests and to draw up the proposed budget for 1965-1966.

The following changes in the budget were agreed on by the committee, with the approval of our attorney.

Move to Community Trust Account

1. Placement
2. Technical Conferences

Prorate Between the Administrative Account and the Community Trust Account

1. Headquarters Rent
2. President's Fund
3. Legal and Accounting Fees

During the year a request of \$700.00 was granted to the Winston-Salem Civic Ballet for a Christmas production of Tchaikovsky's Nutcracker Suite. The sum of \$25.00 has been allocated to our Community Arts Committee to provide an oil painting, by a League artist, for the Children's Waiting Room of the Forsyth County Department of Welfare.

The net profit of the 1965 Rummage Sale was \$12,149.74.

FUN BOOK

The Fun Book Committee for 1964-65, composed of sixteen members, ascertained that Fun Books are "here to stay" because fun was had by all — the producers as well as the receivers.

Requests for the activity books increased from five agencies, more technically, groups, to nine during the year. They are as follows: Amos Cottage; Baptist, Forsyth Memorial and Kate Bitting Hospitals; foster homes under the auspices of the Welfare Department; the Visiting Nurses Service; the Public Health Nurses; and the waiting room of the Welfare Department.

For each of the nine working months of the Junior League, 155 Fun Books were compiled in keeping with the festivity or season of the given month. Ideas were exchanged and assignments were given to the enthusiastic committee at the bi-monthly meetings.

To the donors of the Timothy Vogler fund, the Fun Book Committee states a hearty thank you for allowing the purchase of a manual ditto machine, a necessity to the continued production of such activity booklets.

And I say an equally hearty thank you to each and every member of the Fun Book Committee — the booklets were what you made them — a bit of joy and happiness to 1,003 children.

Respectfully submitted,
Gale C. Gramley

HEADQUARTERS

A new look came to Timothy Vogler this year. During the summer, our sustaining advisors selected and ordered new furniture for the living room, and two new machines and a new (used) typewriter were put to good use in the office. A sofa, two chairs and new cushions for the occasional chairs made the living room a very popular place to hold meetings. The addressograph was put into working order during the summer and, after a few snags were ironed out, used many times. A duplicating machine has been purchased to turn out copies of the Fun Books. This machine will also prove useful to other committees in the future as it reproduces drawings quite well.

The office at Timothy Vogler has increasingly become a "big business" operation as League officers and committee chairmen have come to use its facilities more and more. Almost every League committee and some community organizations have had work done through the office and many have become "regular customers."

Unsung heroines of all this activity have been the ten volunteers who have produced an untold amount of work and have been most dependable and conscientious in doing so. Many of them have stayed past the twelve o'clock quitting time to finish a job and more than one girl has taken work home with her to insure completing it on time. These girls should be commended for giving the League a good year "on paper."

Respectfully submitted,
Betsy Miller

HOSPITALITY

This has been a tremendously successful year for the Hospitality Committee.

The annual Christmas luncheon was held December 1st at Forsyth Country Club and was attended by 186 active and sustaining members. We worked individually and as a committee during the summer decorating boxes to be used as centerpieces. These were sold to those attending the luncheon.

On January 22nd the Peppermint Ball was held at Forsyth Country Club. The club was decorated with red and white to carry out the peppermint theme. Cocktails were served, followed by a fabulous buffet supper which was enjoyed by 280 members and their guests. Burt Massengale's orchestra furnished the music.

We entertained the membership and their guests following the March night meeting, which was held at the Community Center. Sanka and cookies were served in the gallery. With arrangements of Spring flowers on the two serving tables and the paintings in the gallery, the effect was very good.

The new actives were the guests of the Hospitality Committee for the April luncheon, which honored them. We decorated with rain hats made by the committee and gave away one each to the two people with the lucky stars. The rest were sold. We had a record attendance of 128.

We have made plans for the Annual Meeting to be held May 14th at Forsyth Country Club. Also we served coffee before each Board meeting during the year.

I am sure a more inventive, co-operative and willing committee would be hard to find, and I want to express my sincere thanks and appreciation to each member for all she did to make this such a successful year.

Respectively submitted,
Suzanne Simpson

HOSPITAL THERAPY

In the spring of 1964 the Advisory Planning Committee recommended that the Red Cross Gray Ladies be included in the League's Hospital Therapy program. The Chairman of the Red Cross volunteers was contacted. It was agreed that League volunteers would staff the playroom on Tuesdays and Thursdays, and the Gray Ladies would work on Mondays, Wednesdays, and Fridays. Eight League volunteers and three substitutes were recruited. In late August an arts and crafts workshop was held for both League and Red Cross playroom volunteers.

The new provisionals and teen-age volunteers were shown the playroom facilities in June. The Hospital Therapy program and policies were explained to them. Fourteen teen-age girls staffed the playroom throughout the summer.

Because of a request from the nurses the Hospital Therapy Committee presented a play pen and several infants' toys to the Pediatric Floor in addition to furnishing the supplies usually needed in the playroom.

In April the membership of the Junior League approved the recommendation of the Project Research Committee to accept the offer made by the Red Cross to assume complete financial and volunteer responsibility of the playroom. The League is fortunate to have an organization such as the Red Cross with its competent volunteer program to take over the duties of this project. Since the Hospital Therapy program has proved valuable to the children, parents, and hospital staff throughout the twelve years it has been sponsored by the Junior League, this year's committee hopes that many League members will continue to work at the hospital under the supervision of the Red Cross.

My thanks to the committee members who helped maintain the playroom and to all the volunteers who made the mornings of the little patients more pleasant by bringing them the diversion of creative activities.

Respectively submitted,
Mary Glenn

MAGAZINE

The Magazine Committee of Winston-Salem Junior League has submitted two articles to New York this year — one concerning the Amos Cottage, and the other on the Nature-Science Center, including pictures.

Notices of births, marriages, and deaths have been sent in on time during the year for the Tidings Section of the Magazine.

Respectively submitted,
Martha Field

NATURE-SCIENCE CENTER

Assisting with the growth of the Nature-Science Center from September, when our director, Myron Vourax, arrived to view an empty building, to late December, when enough exhibits were completed for an informal viewing by the Center's sponsors, into April, as school tours and workshops began, has been a most rewarding experience for the Nature-Science Center Committee.

In the four month period from mid-December to mid-April, 8,200 people have visited this new facility. Attendance figures continue to rise weekly — providing a barometer of community interest via community participation.

The Nature-Science Center Committee has been in direct charge of the following: office volunteers, exhibit preparation and execution, guides, workshops, sales desk, library and the Book of Memory. Each sub-committee has worked under our director and the Board of Trustees of the Nature-Science Center, using both League and community volunteers.

In addition to the official Junior League representative on the Board of the Center, four other League members have served as Trustees of the Nature-Science Center — two as officers.

Now that the Center is open and definite placement oppor-

tunities exist, it is hoped that the Junior League volunteers will avail themselves of these most interesting and rewarding jobs. The Nature-Science Center chairman, committee members and all League volunteers have had much satisfaction from their efforts to "Build for the Future" a needed and appreciated facility for the entire community.

NEWS SHEET

During the year 1964-1965 nine issues of the Newsheet were published, copies being sent to the membership, AJLA, the Regional Director, Presidents, and Editors of Region XIII, the advertisers, and at various times firms and individuals in the community.

In an effort to further their good will, the Editor wrote each advertiser in the fall, enclosing a scale of charges for advertising. Five new advertisers were added this year. To obtain an up-to-date list of addresses of Newsheet recipients, the use of "Return Requested" was adopted. This system of mailing has proven most effective, and caused one incorrect address of twenty-five years duration to be discovered. "Did You Know," League Log, and articles and pictures covering new transfers were continued. Innovations were a change in the masthead, the numbering of pages, and putting the title "Shopping Around" at the beginning of the ads regardless of where they began in the Newsheet.

The April issue contained data concerning the Rummage Sale, including all of the schedules. Two hundred and fifty additional copies were sent to the firms who contributed to the Rummage Sale. Guest writers were used outside the League. Within the League committee functions were covered with special thought given to the interests of sustaining and active professional members as well as to the non-professional actives. Pertinent community events were covered, as well as AJLA memoranda.

To the Newsheet staff may I express my gratitude. Your ingenuity and talent, together with your willingness and graciousness, have made my task of putting your efforts together very simple. It is hoped that the Newsheet has helped to further the interest and purpose of the League.

Respectively submitted,
Ann Ring

NOMINATING

The Nominating Committee held nine meetings during the year. Using the straw ballot as a guide, a slate of officers for '65-'66 was drawn, delegates, observers and alternates to Regional Conference were chosen, and nominees for AJLA Conference were presented to the League. Lists of those eligible to serve on Admissions and Nominating Committees were mailed

to all active members, and these committees were duly nominated and elected according to By-Law changes approved at the membership meeting in December, 1964. One meeting was concerned chiefly with AJLA organization and policies and Regional nominating procedures. In cooperation with the Regional Nominating Committee, candidates for Regional offices were submitted. A potential leadership file to be used by future committees was set up.

Responsibility for this work was shared by all members of this committee.

Respectively submitted,
Emmie Lou Long

PLACEMENT

This committee was organized by Addie Mann who ably planned a challenge volunteer program for Junior League members. Agency tours were made by members of the committee April 20 at which time eight volunteer opportunities were visited. Interviews were held May 19-20 at the home of Mrs. S. Clay Williams, Jr. 257 placements were filled for 21 agencies and League work. There are 94 members serving on 32 Community Boards.

The three Special Committees — Hostess, Secretarial and Artist are filling a growing need in the community of spot jobs. We are, I believe, the only organization to offer such a service. From their response, they have been most grateful for our help. The sustaining members provided volunteer support in surveying the town for ramps in buildings for the Easter Seal Organization. Their experience and guidance has been a great service for the Hostess Committee.

The revamping of the Rummage Sale this year will release needed manpower for other areas in following years. League sponsored projects can look forward to even more volunteer aide and assistance.

It is through the committee members that the Placement Committee has been able to fill all the requests made by the agencies this year. My most sincere appreciation goes to them.

Respectively submitted,
Mary Louise Whitaker

PROJECT FINDING

The Project Research Committee began the year in June with orientation, the change of name for the committee, and the study and evaluation of requests that had come to the committee.

After very careful study and consideration of the community needs coupled with the financial and volunteer situation of the League, the Project Research Committee proposed that the League grant the Winston-Salem Civic Ballet \$700.00 to cover the cost to mount the "Nutcracker Suite" as a Christmas ballet

for children. The membership voted to cooperate with the Civic Ballet by approving the grant and the idea that the Community Arts Committee handle the sale, program and promotion of the production.

The membership also approved offering the Department of Public Welfare one oil painting to be hung in the Children's Waiting Room. The cost of the painting is not to exceed \$25.00

As requested by the membership at the coffees held in November this committee reviewed the Hospital Therapy program. It was recommended and approved that the complete responsibility of this program be given to the Red Cross, who very graciously offered to accept this program. League volunteers will be offered placement in the playroom or in other areas of hospital work through the Red Cross.

The genuine sincerity and sound judgment of each member of this committee have been an inspiration and greatly appreciated.

Respectfully submitted,
Marty S. Hancock

PROVISIONAL

Following individual interviews in May, the provisionals were launched into a most active year with the basic orientation course, June tenth and eleventh. The two day, rather than three day orientation proved to be very satisfactory in view of combining the tour of community agencies with that of the Placement Committee in the spring.

Summer placement consisted of one meeting with the Adult Handicapped Committee's "Poke Easy Club."

The principal feature of the fall program was the Community Lecture Series, which included talks by seven community leaders. Also on the fall schedule were tours of Old Salem, Whitaker Park and the Nature-Science Center. The Education Committee showed a film on parliamentary procedure. Each provisional participated in the play and the play workshop, which was thoroughly organized by the Children's Theatre Committee. In addition, the group was required to work at headquarters, at the hospital and on one issue of the Newssheet.

Attendance at one Board meeting and at one meeting of a League committee was planned. My committee felt this invaluable in acquainting the girls with the function of the League.

In March, each provisional was scheduled to mark and sell at the Rummage Sale.

I am deeply indebted to those outside the League who contributed greatly to a successful course, to my committee who served diligently and to the eleven provisionals who were honored at the April luncheon meeting and presented to the membership as new active members.

Respectfully submitted,
Jane P. Masich

PUBLIC RELATIONS

The Public Relations Committee has strived to fulfill its two responsibilities to maintain and improve good public relations within the League, and within the community. In the first area, in-League relations, the committee worked with the Education Committee in planning and carrying out coffees which were held in place of the regular November meeting. For this event, the membership was divided into small groups which met at members' homes. Education Committee members served as discussion leaders, and Public Relations Committee members acted as recorders. The coffees were considered most successful as a way of encouraging members to ask questions and make suggestions on various aspects of League activity. Similar coffees were held also for sustaining members.

Community public relations have been promoted by the news media of newspaper, radio, and television. Excellent coverage was obtained on monthly meetings, and all phases of League program and activity. Community relations have also been maintained by the traditional "Thank you" from the League to the many individuals and organizations who have assisted with League program and activity in some way during the year. The Public Relations Committee this year sent \$150 from the League to the Nature-Science Center in honor of these seventy-three individuals and organizations, each of whom was notified of this by a letter from the League and a card of acknowledgment from the Center.

The yearly scrapbook, including all newspaper clippings concerned with the Winston-Salem Junior League, was kept by Jessie Southern.

My thanks and appreciation go to the entire committee for accomplishing our year's work with so much co-operation and diligence.

Respectfully submitted,

PUPPETRY

The year for the Puppet Committee began with the attendance by its two chairmen at the convention of the Puppeteers of America Festival at Miami, Florida. Anne Rigby and Bess Brown, daytime chairmen, spent a week at this working, learning convention. They attended daily workshops and performances conducted by some of the country's leading puppet groups and discussions with other Junior League delegates, under the leadership of Jean Wiksell, AJLA Puppetry Consultant. This was an exciting experience and will prove increasingly helpful as our work grows. In September Bess Brown moved to Birmingham, and Marian Townsend took over the daytime group.

Both groups spent the fall working on their new productions. The daytime group selected "The Colorbook Dragon," an AJLA script, for their play. In February they began taking it to kindergartens and the children's story hour programs at both

the main and East Winston branches of the library. Performances were also given at the Children's Home and the Children's Center. Their committee consisted of eight members who made puppets, scenery, and props, and acted. New for the first year were correlations, written by the daytime group, and used to help the teachers prepare the children for the performances they were to see. It is felt that these were a real help.

The night time group selected a pantomime presentation of four poems, read by a narrator. These were: "The Duel," by Eugene Field; "The Elf and The Dormouse," by Oliver Herford; "Eletelephony," by Laura E. Richards; and "Max and Meritz," by Wilhelm Busch. These were presented at the children's wards of the Baptist Hospital and the new Forsyth Memorial Hospital. A performance was also given at the May Frolics of Summit School. All puppet performances are presented free of charge.

At the request of teachers in the English Department at Winston-Salem State College, Anne Rigby and Mary Green met with a class in Children's Literature and told about our puppet work. This was accompanied by a showing of our puppets and discussion with the students. A highlight of every performance continues to be the after-show greeting of child and puppet. We feel that we have found a real need for such live performances, as demonstrated by the reception we always receive. This is a type of entertainment which the children do not have access to anywhere else. We hope increasingly to work to enlarge our efforts and our audience, insofar as is possible.

Respectfully submitted,
Anne Davis Rigby

RUMMAGE SALE

This year the Rummage Sale Committee spent much time and thought on concentrating the actual time spent in preparation for the Sale. We felt that our new ideas worked very, very smoothly, and we were delighted with the results. We only wish that we could have controlled the weather as easily, but we have decided that bad weather and the Rummage Sale simply go together.

At this time we would like to report to you on some of the new things that we did. The use of firemen in unloading the cars was inspired, and they enjoyed it and are looking forward to next year. The policemen are all our good friends — as are the people from Salem Industrial Caterers. Other friends are those who offered us week-end prizes for those who brought in the most rummage. These prizes were won by Ann King—Blowing Rock; Kenan Carpenter—High Hampton; Nancy Elberston—Hound Ears; and Nancy Pixley—Tides Inn.

You contributed 19 boxes of toys to Goodwill Industries, Baptist Hospital, and Forsyth Memorial Hospital.

Montaldo's lovely fashion show contributed 37 boxes of rummage and was enjoyed by several hundred women.

The use of Taylor's Warehouse for another year is deeply

appreciated. Our customers are so used to coming there it is hard to think of ever not being there.

Sustainers took charge of two departments before and during the Sale, and eight sustainers helped during the first and second hectic shifts.

With the full co-operation of all League members, this Sale, from beginning to end, can easily be held in a week. This year, under the new set-up, we banked \$12,149.74. This means that every hour you spent on the Sale was worth \$7.50 or \$8.00.

We are confident that next year's committee will do even better, so pack up all your old clothes, and be ready to help!

Respectfully submitted,
Jean DeHart Spach

TRANSFER

The Junior League received eleven new transfers this year. They were contacted by Transfer Committee members for all membership meetings and social functions and were individually introduced at League meetings. Committee members visited the transfers in their homes whenever possible.

Articles and pictures of the transfers appeared in the News-sheet and transfers were given the opportunity to attend placement tours and the community part of the Provisional Course.

The Transfer Committee held a cocktail party February 19 in honor of the transfers and their husbands. The Executive Board was included in order that the transfers could become better acquainted with our League officers.

It has been a pleasure to welcome such attractive new girls to our League and many thanks to my committee for their enthusiasm and cooperation.

Respectfully submitted,
Mary Lu Whaling

TELEPHONING

The Telephoning Committee had ten requests for its services this year.

Active, sustaining, and provisional members who had not yet paid their dues were contacted in May and reminded to do so.

There were no requests for telephoning in September.

In October all active, sustaining, and provisional members were invited to attend the dress rehearsal of the play, "Fox In A Fix". Also, sustaining members were invited to coffees in November which were planned and arranged for by the Education Committee.

The Rummage Sale Committee was contacted in October and November in regard to meetings. Also, in November, all active, sustaining, and provisional members were reminded of the meeting and Thanksgiving luncheon held the first of December.

Early in March the Rummage Sale Committee was notified

in regard to a meeting. They were contacted again in the latter part of March to attend a meeting held the same morning of the April League meeting.

In March and April the committee called all active and sustaining members of the League to remind them of the deadline for getting their reservations in for the meeting and luncheon held on April 6th at Forsyth Country Club. The provisional members were not called, as they were previously notified since the luncheon was in their honor.

Active, sustaining, and provisional members were contacted in May to remind the membership that the date of the annual meeting had been changed to Wednesday, May 12th, because of the Symphony's concert and membership renewal drive on May 11th.

Respectfully submitted,
Lila Spencer

She must have resided in another city no longer than one year immediately prior to her proposal.

 1. Action may be taken on a national or international public question provided the League has first obtained approval from the Board of Directors of the Association, as represented by a three-quarters affirmative vote of the Board of Directors.
 2. Action may be taken on a state public question provided the League consults its Regional Director and follows Association legislative procedures.
 3. Action may be taken on a local public question at the discretion of the League.
 4. Action may not be taken in support of or in opposition to a candidate for public office.

POLICY IV — FINANCIAL

- A. The Association shall not act for others as a fund-raising agent.
- B. The Association shall not make financial contributions to individuals, other organizations or agencies. Financial support may be rendered for direct services.

POLICY VI — COMMERCIAL ATTACHMENTS AND MONEY-RAISING

- A. The Association shall not recommend the exclusive use of a specific commercial product nor the services of a specific commercial concern.
- B. A Junior League membership list is for the use of the Junior League only and cannot be used for promotion of any activity unrelated to the Junior League. It shall not be used for personal gain or made available for commercial or solicitation purposes.

 - 2. Sponsorship of a Junior League activity by reputable firms on a regional, national or international basis is permitted provided such sponsorship has been approved by the Association office.
 - 3. Direct selling in a commercial portion of a radio or television program, or in other media of communication, is permitted so long as it is in keeping with the quality of the presentation itself, feature articles in good taste, and does not recommend the exclusive use of a product by the Association, any member League, League member, or person representing the Junior League. Samples of the commercial copy must be submitted for approval by the sponsoring League to the Association office.
- D. A Junior League member may be identified as such in commercial endorsements, only in League publications and/or in connection with League money-raising activities. No Junior League member may be identified as such for personal gain.

Policies VII and VIII embody the "Minimum Standards" which all Leagues require of themselves and each other. Their observance and enforcement are the responsibility of each individual League and its officers. Visiting Board and Staff members are obligated to point out apparent deviations from these standards, but the responsibility for constant self-evaluation rests with the League, not with the Association. These policies should be printed with each League's By-Laws. These are policies as revised April 1952.

POLICY VII — MINIMUM STANDARDS

Each member League shall incorporate in its charter, constitution, or By-Laws, the following material:

- A. A statement of its name, which shall be limited to the words "Junior League of (name of city, town or community in which located)."
- B. A statement of its purposes, which shall include the statement of individual purposes stated in Article I, Section 1 of the By-Laws of the Association.
- C. A statement that its policies shall be in harmony with the Policies of the Association.
- D. Provisions complying with the requirements of Article II of the By-Laws of the Association. (No other classes of membership shall be permitted; provided, however, that (a) individual Leagues may have a limited number of honorary members, and (b) Leagues which as of April, 1947 had classes, including life members, may continue such classes for their present membership, but shall not admit any additional members thereto).
- E. A requirement that all provisional members shall complete a course which shall meet the standards set by the Association, and shall perform voluntary service for a period and in a manner satisfactory to the Placement Committee.
- F. A requirement that all active members shall justify their membership through some form of community service satisfactory, in quality and extensiveness, to the Placement Committee (the term community service being defined as including volunteer work for, and service on Boards and Committees of any philanthropic or humanitarian community organization of high standing in the educational, civic, cultural or social welfare field).
- G. A requirement for the following committees:
 1. An Admissions Committee, whose function shall be to consider the qualifications of all candidates proposed to membership in the League and elect new members or recommend candidates to the Board for election.
 2. An Education Committee, whose function it shall be to plan and supervise the educational program of each League.
 3. A Finance Committee, among whose duties shall be the initial preparation of the annual budget of each League.
 4. A Nominating Committee, whose function it shall be to prepare slates of candidates for election to the various elective offices of the League. The committee shall also cooperate with the Regional Nominating Committee and whenever possible suggest candidates for regional slates.
 5. A Placement Committee whose function shall include the interviewing of all Active members at regular intervals and the offering to them of a free choice of placements as provided in (F.) above.
 6. A Provisional Committee, whose function shall be to plan and direct the education and training of Provisional Members until such time as they are admitted to Active Membership.
 7. A Public Relations Committee.

- H. The books and accounts of each League shall be kept in accordance with sound accounting practices; each League shall maintain a community fund separate and distinct from its administrative fund; all money in the community fund shall be distributed solely for the benefit of the community. Annually a copy of the audited balance sheet (statement of Assets and Liabilities) and profit and loss statement (statement of income and expense) shall be distributed to each member of the League.
- I. A requirement that the Board of each League shall present to the membership all proposed major program activities for ratification.
- J. The Regional Director shall be invited to visit each League in her Region during her term of office. Acceptance of such invitation shall be at the discretion of the Director.

POLICY VIII — MINIMUM STANDARDS

Each League shall send to the Association annually, an outline of its provisional course as soon as reasonably possible after the completion of the course.
- B. The Placement Committee of each League shall interview all active members at regular intervals in order to plan and supervise their free choice of community service as defined in Policy VII, F, and shall keep as nearly as possible uniform records concerning their activities.
- C. No individual League shall associate itself with nor endorse any welfare or other similar project, program or activity which does not meet accepted standards in its field, or show evidence of working toward such standards.
- D. All money-raising, on the part of individual Leagues, shall be consistent with standards of dignity and good taste and in keeping with the laws and customs of the community.
- E. Each League shall send to the Association annually a copy of its audited annual statement.
- F. Each League shall maintain the same standards as required of applying groups under Article 11-A, Section 2 of the Association By-Laws.

Association Procedures Applying To All Leagues

Arranging Inter-League Memberships:

Section 1.

Inter-League cards issued pursuant to Article II-B, Section 2, of the By-Laws, shall be for a term of one year. Extensions up to, but not more than two additional years, may be granted by the home League.

Section 2.

The League to which a member is temporarily accredited may charge such member for special privileges or for the actual cost of her membership.

Section 3.

(a) A member desiring an inter-League card shall notify the Secretary of the home League.

(b) The Secretary and the Treasurer of the home League in consultation with the Placement Chairman shall determine whether said member is in good standing.

(c) The Secretary of the home League shall issue an inter-League card to the Secretary of the temporary League.

(d) The inter-League card becomes effective immediately upon receipt by the Secretary of the temporary League.

(e) The Secretary of the temporary League shall notify the Secretary of the home League that the inter-League card has been received.

(f) The Secretary of the home League shall give to the member the name and address of the Secretary of the temporary League.

(g) The member shall be responsible for contacting the Secretary of the temporary League.

(h) The temporary League may charge such member for special privileges or for the actual administrative cost of her membership.

(i) When the period of inter-League privilege expires, the Secretary of the temporary League shall return the card to the Secretary of the home League.

(j) If the member requests an extension of the inter-League privilege from her home League and the home League determines that an extension is justified, the Secretary of the home League reissues the card to the Secretary of the temporary League.

(k) When the inter-League privilege terminates the Secretary of the home League shall cancel the card.

(l) The Secretary of the home League shall notify the Association Headquarters of changes of address occurring as a result of the member's move to and from her temporary League area.

Arranging Transfer of Members

Section 1.

The Secretary of the League from which a transfer is made shall be responsible for filling in the information regarding the member's record called for by the transfer card supplied by the Association. She shall also certify that the transferring member is in good standing and shall then forward the transfer card to the Secretary of the League to which the transfer is made.

Section 2.

Transfers shall meet the conditions of acceptance provided in the Association By-Laws, Article II-B, Section 3, and shall be accepted by the Board of Directors or Executive Committee of any League, unless the member has no right to transfer under the provisions of the same Article. Transfers shall be accepted in order of application, except that applications of members under forty may be given precedence over those of Sustaining members. Transfers shall become effective upon acceptance. Within 15 days thereafter the Secretary of the League to which the transfer has been made shall notify, on transfer cards supplied by the Association, the Membership Records and Circulation Department at Association headquarters and the member's former League.

Section 3.

A member transferring from one League to another shall become subject to the jurisdiction of the League to which she transfers on the date on which such transfer is accepted. A League receiving a transferring member may charge such transferring member the actual administrative costs incurred by such League in connection with her transfer.

Section 4.

A member of a Junior League, who is also a member of an Applying Group which is taken into the Association, upon the acceptance of the new League into the Association, must either request a transfer from her home League or submit her resignation to the new League no later than March 10 of the Association fiscal year in which the new League is accepted.

A.J.L.A. GUEST ROOM INFORMATION

Cots and cribs may be put into guests' rooms upon request. A cot is \$5.00 plus 5 per cent city tax per night, but there is no charge for a crib.

Sitters for children may be secured through the AJLA Desk.

Cars may be stored at a nearby garage for \$3.75 per night, including pick-up and delivery.

Accommodations

16 rooms—double occupancy—twin beds and private bath. Rates \$17.00 and \$19.00 daily plus 5% city tax.

16 rooms—single occupancy—2 with private baths. Rates \$7.00, \$8.00, \$9.00, and \$10.00 daily plus 5% city tax.

Reservations

In writing for information or to make a reservation, always address Guest Room Hostess, Association of the Junior Leagues of America, Inc., The Waldorf-Astoria, New York 22, New York.

Reservations cannot be accepted more than three months in advance. **In case of cancellation, an immediate wire is requested.** Cancellations made less than 24 hours in advance will be billed at full rate. This not only protects the Association against loss, but prevents the turning away of members who otherwise could be accommodated.

Reservations received by wire are answered by Western Union collect. Please indicate the name of your League when making reservations.

Since there are so few rooms in the Junior League section, it is only possible to assign the best accommodations when the exact dates of arrival and departure are known in advance. It is often impossible to retain rooms longer than the time specified in the reservation, due to the fact that they are reserved for the very date they are to be vacated.

Registration

8:00 a.m. to 9:00 p.m. — Upon arrival, please take the West elevators and go directly to the guest room desk in the AJLA office on the 19th floor to register.

9:00 p.m. to 8:00 a.m. — Upon arrival, kindly register at the front desk of the Waldorf-Astoria Hotel.

Length of Stay

Because of the great demand for accommodations, it has been found necessary to limit the length of stay to one month each six months.

AJLA Departure Time 12 noon.

Those retaining their rooms after departure hour will be charged for another day. Due to heavy bookings, we are unable to promise that accommodations always will be assigned immediately upon arrival.

Eligible Guests (other than League members)

Members of immediate families (husbands, children, parents, brothers and sisters) may be accommodated for a period not exceeding two weeks when the League rooms are not otherwise oc-

cupied. If accompanied by a League member the period is extended to one month.

Written authorization from a League member is **REQUIRED** for reservations of members of her family. Members are requested to write AJLA for the necessary form to be filled out in advance of making family reservations. No form is necessary, however, if the member accompanies her family.

Guests other than League members (or their immediate families) may be accommodated **only** when accompanied by a League member. League members need not request a form in advance when accompanying non-members. The daughters of Junior League members may be accompanied by friends when sponsored in accordance with established procedures.

MEMBERS SHALL BE RESPONSIBLE FOR ANY UNPAID INDEBTEDNESS INCURRED BY GUESTS INTRODUCED BY THEM. Members of individual Leagues, who are delinquent in paying any indebtedness to the Association, shall be considered in arrears in their dues to their own League. (By-laws, Article II B, Section 4.)

Telephone Connection

The most direct way for your friends to reach you is by calling the Waldorf-Astoria, ELdorado 5-3000, and asking for you by name. The Junior League may be reached through the Waldorf number, or direct at ELdorado 5-4380. We will be glad to give information and render any assistance possible to your friends in reaching you.

Bills

Bills are mailed to guests after their departure unless they prefer to pay before leaving. Only United States Currency, checks on United States Banks or Checks on Canadian Banks payable in American funds can be accepted. **CHECKS WILL NOT BE CASHED FOR MEMBERS UNLESS THEY ARE STAYING IN THE HOTEL AS JUNIOR LEAGUE GUESTS.** Members of individual Leagues, who are delinquent in paying any indebtedness to the Association, shall be considered in arrears in their dues to their own League. (By-laws, Article II B, Section 4.)
