## MY CREED

By Katherine Boring Rondthaler

"I believe in Jesus Christ and trust Him with my life. And this is what He does for me:

He gives me strength to fight against sin.

He gives me power to make moral and social decisions on the right side.

He gives me ability to surrender my will to His.

He gives me confidence, patience and peace and a sense of closeness to Him through prayer.

He gives me freedom from fear.

He flashes for me the inner meaning of His Word.

He gives me abundant grace -- a radiance plus.

He gives me happiness of heart -- even in sorrow.

He gives me the grace to try to love all others.

He gives me serenity of spirit -- freedom from worry.

He gives me the spiritual uplift for meditation.

He gives me the power to do "the impossible."

He shows me how to give of myself wholly into my work and into my personal contacts.

He often gives me the words that I should speak.

He gives me through every day a sense of His leading the way.

He gives the joyful certainty that each morning is a new page, a fresh start.

He enriches my intellectual life by giving me an understanding of His breadth of view and of His own tolerance.

He takes away all fear of death.

He gives me the stabilizing certainty of life after death.

Not that I have attained, I have struggled towards.  
But all this is His abundance."

## CLUB HISTORY

May 7, 1977, marked the fifty-eighth birthday of our Club, since it was duly organized in 1919, when Mrs. Howard Rondthaler was elected the first president by one hundred sixty women who signed the membership roster in a large room over L. B. Brickerstein's Store on Liberty Street just below Third Street.

The seven original departments of the Winston-Salem Woman's Club as designated at this organizational meeting were: Literature and Art; Education and Library Extension; Social Service; Civics; Health; Home Economics; and Music.

By the end of the second Club year, the membership had grown to 321. A headline in the local Sentinel that year read, Daily Question Being Asked: "HOW CAN ONE GET MEMBERSHIP IN THE WOMAN'S CLUB?"

Affiliation with the State Federation was immediate and the new Club aligned itself with thirty-one movements in the city and state, some of which included the organization of the Woman's Auxiliary of the American Legion; the establishment of Probation Officers (then unheard of); the establishment of a cooperative produce market; a flower show; the beginnings of the County Home Demonstrator; a Story Hour at the Public Library; and the planting of a Memorial Highway between Winston-Salem and High Point with Norway Maples, Crepe Myrtle, and roses, some of which still survive.

Early meetings were held wherever space was available as the membership during the first four years soared to 555. During this time the venture to secure a clubhouse was started and our present one was purchased in 1924 for the staggering sum of \$67,500.00. The ensuing years were dark and bleak for the Club. Many members dropped out, tired of struggling, and the end did seem to be

near. In 1931, six past-presidents banded together to save the Club and the clubhouse. Through COOPERATION (the keynote to success) the mortgage was burned October 2, 1946. This is the heritage of the members of the Winston-Salem Woman's Club. May it live on and be cherished forever by all!

## OUR OBJECT

"The object of this Club shall be to promote and encourage education, literature, the sciences and arts; to take part in civic affairs affecting the public interest; and to participate in movements connected with the general welfare of the community."

## COLLECT OF CLUB OF AMERICA

Keep us, O God, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking,

May we put away all pretense and meet each other face to face without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward and unafraid.

Grant that we may realize it is the little things that create differences, that in the big things of life we are at one.

And may we strive to touch and to know the great, common human heart of us all.

And, O Lord God, let us forget not to be kind.

Mary Stewart, Colorado
